humans.of.stmiras Adopting Myra could easily be one of the best things to happen to me.

She is the best person I've ever come across

My mom always wanted to adopt a child. And it has truly changed my life.

I remember when we had the option to 'choose' the child we wanted to adopt, I was hellbent on picking the cutest baby, but my mom was certain that we would adopt the first baby they showed us, and I'm really glad we did (secretly, I did find her the cutest) our extended family
