INTRODUCTION

Financial Statements:

Financial statements are written records that convey the business activities and the financial performance of a company. Financial statements are often audited by government agencies, accountants, firms, etc. to ensure accuracy and for tax, financing, or investing purposes. Financial statements include:

- Balance sheet
- Income statement
- Cash flow statement

Nestle's:

"We are the *Good food, Good life* company. We believe in the power of food to enhance lives. Good food nourishes and delights the senses. It helps children grow healthy, parents age gracefully and everyone live life to the fullest. Good food brings us together. Good food also respects our planet and protects resources for future generations. We have more than 2000 brands ranging from global icons to local favorites, and are present in 186 countries worldwide."

Britannia:

Britannia Industries is one of India's leading food companies with a 100 year legacy and annual revenues in excess of Rs. 9000 Cr. Britannia is among the most trusted food brands, and manufactures India's favorite brands like Good Day, Tizer, NutriChoice, Milk Biscuit and Mira Gold which are household names in India. Britannia products are available across the country in close to 8 million retail outlets and touch over 50% of Indian homes.
