THE PROPHECY:

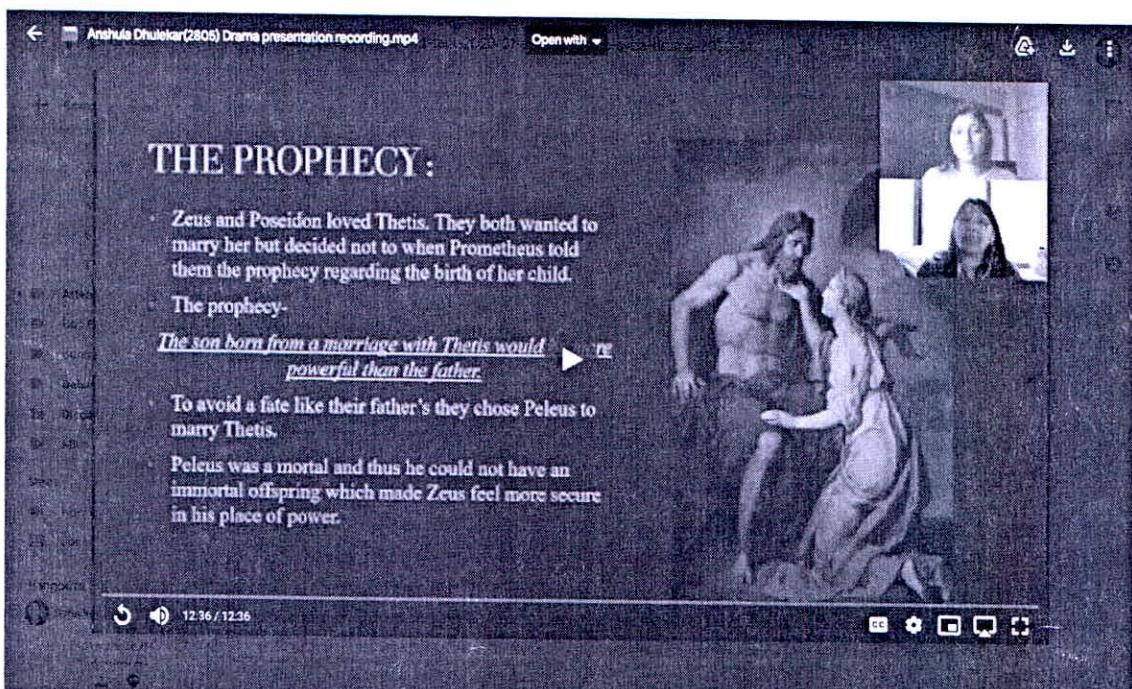

Zeus and Poseidon loved Thetis. They both wanted to marry her but decided not to when Prometheus told them the prophecy regarding the birth of her child.

The prophecy-

The son born from a marriage with Thetis would be more powerful than the father.

To avoid a fate like their father's they chose Peleus to marry Thetis.

Peleus was a mortal and thus he could not have an immortal offspring which made Zeus feel more secure in his place of power.
