Feedback Analysis

Our patron saint is Saint Mira, who epitomizes Bhakti, Indian values, the courage of conviction and rebellion for the right. Our spiritual Guru, mentor and the inspiration behind all efforts of the college is the revered Dada J.P.Vaswani. The motto of the college- 'Kindle the Light', indicates our commitment to impart to students the spirit of simplicity and service, purity and prayer. The Mission Statement of the college- To empower and equip women students through an integrated education of the Head, Hand and Heart, to successfully meet the challenges of competitive work life and inculcate in them the Art of True Living. Eminent citizens, well versed in academics, with strong leanings toward social issues and student welfare, grace the managing committee of the college.

St. Mira's college distinguishes itself as a unique and proactive temple of learning. Our exclusive identity lies in the inclusive education that we offer to all kinds of women students – those with special needs, the differently abled, first-generation learners as well as students coming to us from different parts of the country and abroad. In our 55 years of academic service, we have steadily grown from a small college to a robust institution which has found a place in the academic map of the country with many firsts to our credit- we were the first college under the University of Pune to volunteer for NAAC; the first college in Pune to be awarded a 5 star rating; the first college to be declared the Best College in Pune by our affiliating University; the First Arts / Commerce College in Maharashtra to take the fast track to academic autonomy and to go on to become one of the few colleges in the country to be honoured with the CDF State award.

St. Mira's College for Girls

**St. Mira;s College for Girls, Pune**  
**Criterion 1 Curriculum**  
**Feedback Analysis from College Website**  
**2018-19**

### **I Students**

#### **Total no of student respondents-199**

193 students i.e. 97% of the student respondents were satisfied with the syllabus taught at St. Mira's College.

185 students (93%) were of the view that enough reading material was provided for the subjects taught.

196 students i.e. 98% of the students felt that they were given a chance to enrol in extra credit courses in College.

192 students i.e. 96% of the student respondents stated that the curriculum taught helped to increase their confidence level as an individual.

189 students i.e. 95% of the student respondents opined that they would be able to get a job after completion of their Degree Programme at St. Mira's College.

Some of the suggestions which were brought to light were to focus attention on more field visits and internships (in all streams), introduce mathematics and econometrics with Economics Special ; float more skill based courses.

### **II Employer**

Students who are placed by our College in reputed companies, have made us proud. Their employers have rated their professional performance on a scale of 1-4 and placed them between 3 & 4 i.e. upto expectations and above expectations. Some of the employers include companies like Concentrix Naksh Services Private Ltd, Northern Trust, Mphasis and KPMG.[Please refer to supporting document on employer feedback].

### **III Teachers**

Teacher Respondents 30

1. “ The curriculum is designed keeping in mind the latest developments in the subject.”
2. “ Updated syllabus gives our students an edge over students from other colleges.”

  
**Principal Incharge**  
St. Mira's College for Girls, Pune.

3. "Syllabi of St. Mira's College is up to date since it is revised every 5 years, considering the needs of the students".
4. "More internships can be added to give students first hand professional experience."

#### **IV Parents**

##### **89 respondents**

Based on the questions posed to parents in the online feedback questionnaire, the following evidence came to light:

84 parents i.e. 95% of the parents opined that the subjects included in the curriculum of St. Mira's College are applicable to daily life.

86 parents i.e. 98% of the parent respondents were of the view that the subjects taught were helpful in developing their daughter's personality.

88 parents i.e 98.9% of the parents felt that the curriculum taught at St. Mira's College prepared their daughter for higher studies.

86 parents i.e. 98% of the parents were of the view that the curriculum taught at St. Mira's College helped their daughter/ward to think independently.

79 parents i.e 90% of the parents were of the view that education at St. Mira's College was helpful in getting their daughter a job.

Some positive remarks: Strong leadership, good teaching and nurturing environment

Some constructive suggestions: to include more field visits

#### **V Alumni**

Alumni Feedback qualitative [Taken between 27-02-2019 to 04-03-2019]

The overall response was positive . A few suggestions emerged which seemed very constructive and worthy of introduction. Some of the comments/remarks of a few alumni are given below:

  
**Principal Incharge**  
St. Mira's College for Girls, Puna.

1.Ms. Hennashka Israni, alumnus BA Eco special 2015 batch was of the view that :"Econometrics and Maths should be introduced for B.A. Economics Special students".

2.Ms Jaya Nagrani, alumnus BCom 2011 batch stated that : "The autonomous syllabus was very helpful for my NET/SET examination preparation."

3.Ms. Viveka Singh, alumnus BA English 2008 batch opined that : "St. Mira's College is one of its kind where mind and soul are trained together to help us become excellent in all spheres of life."

4. Eden Lobo alumnus BA Psychology 2018 batch was of the view that , we need to " Include a lot of credit courses which are more in-depth to the syllabus such as Research Methodology, test construction or statistics. Since these are important subjects in the Master level... . A strong basic foundation in these subjects is very, very important".

Some of these suggestions have been taken quite seriously by us.

Based on Hennashka Israni's and Shreelekha Kakade's suggestions, the College plans to introduce a credit course in Quantitative Methods and Statistics for the BA Economics Special students as soon as possible.

Based on Eden Lobo's suggestion a Credit Course in Research Methodology was introduced in the academic year 2018-19 itself.

Action Taken Report

Based on Complete Stakeholder Feedback Analysis

2018-2019

As per the suggestion (retrieved from student feedback on curriculum 2018-19), made by a student of BA Economics Program, 2018-19, a credit course was designed and floated for TYBA Economics Special students.

The credit course has been titled: Mathematics and Statistics for Economic Analysis; Duration 30 hours; 2 credits; The credits will feature on the mark-sheet of the student.

DVV- Attendance Sheets, Mark-sheets, Appointment Letter of Course Instructor- Ms Gitika Bhati; inclusion in List of Credit Courses 2019-20 certified by Principal.

  
Principal Incharge  
St. Mira's College for Girls, Pune.

**Criterion 1**  
**Curriculum Feedback Analysis**  
**2019-20**

**I Students**

**Total no. of student respondents: 2195**

- 2033 students i.e. 92.62% of the student respondents were satisfied with the syllabus taught at St. Mira's College.
- 1823 students (83.05%) were of the view that enough reading material was provided for the subjects taught.
- 2014 students i.e. 91.75% of the students felt that they were given a chance to enrol in extra credit courses in College.
- 1936 students i.e. 88.20% of the student respondents stated that the curriculum taught helped to increase their confidence level as an individual.
- 1846 students i.e. 84.10% of the student respondents opined that they would be able to get a job after completion of their Degree Program at St. Mira's College.

**II Employers**

**Total number of Employer Respondents: 07**

- 7 employers (100%) were satisfied with the knowledge base of the students.
- 7 employers (100%) found the candidate sincere and hardworking.
- 7 employers (100%) were of the view that the education received by the candidate at
- St. Mira's College provided them with the necessary skills to make them useful employees.
- 7 employers (100%) were satisfied with the employee's integrity and work ethics.

**III Teachers**

**Total number of Teacher respondents: 70**

- 70 teachers (100%) of the sample were satisfied with Autonomy.
- 69 teachers (98.57%) were of the view that the Choice Based Credit System has been beneficial to students.
- 70 teachers (100%) were of the view that the Semester Pattern does justice to the curriculum.
- 70 teachers (100%) were satisfied that the syllabus was contemporary and practically relevant.
- 70 teachers (100%) were satisfied that the Certificate Courses provided value addition to the students.
- 67 teachers (95.71%) were of the view that the extra credit courses available were beneficial to students.
- 67 teachers (95.71%) were of the view that the curriculum taught enhanced the employability of the students.

**Autonomous (Affiliated to Savitribai Phule Pune University)**

- 70 teachers (100%) of the teachers were of the view that the curriculum provided scope for developing entrepreneurial ability amongst the students.

#### **IV Parents**

**Total number of Parent Respondents: 626**

- 597 parents i.e. 95.37 % of the parents were of the view that the subjects included in the curriculum of St. Mira's College are applicable to daily life.
- 604 parents i.e. 96.49% of the parent respondents were of the view that the subjects taught were helpful in developing their daughter's personality.
- 595 parents i.e. 95.05% of the parents felt that the curriculum taught at St. Mira's College prepared their daughter for higher studies.
- 613 parents i.e. 97.92% of the parents were of the view that the curriculum at taught at St. Mira's College helped their daughter/ward to think independently.
- 525 parents i.e. 83.87% of the parents were of the view that education at St. Mira's College was helpful in getting their daughter a job.

#### **V Alumni**

**Total number of Alumni Respondents-6**

- 6 alumni (100%) of the sample were of the view that the subjects included in the curriculum of St. Mira's College are applicable to daily life.
- 6 alumni (100%) of the sample were of the view that the subjects taught at St. Mira's College helped to develop their Personality.
- 6 alumni (100%) of the sample were of the view that the curriculum at St. Mira's College helped them to think independently.
- 5 alumni (83.33%) of the sample were of the view that the curriculum at St. Mira's College helped them to prepare for higher studies.
- 6 alumni (100%) of the sample were of the view that the curriculum at St. Mira's College helped them to secure jobs.

**Action Taken Report 2021-22  
On Curricular Aspects (Criterion 1)  
based on  
Stakeholder feedback analysis (Criterion 1) undertaken in 2020-21**

The Stakeholder feedback [Criterion 1] undertaken in 2020-21 covered feedback on curriculum by students, parents, alumni, teachers and employers (the stakeholders). This Action Taken Report has been compiled in 2021-22, based on the Complete Stakeholder feedback analysis exercise undertaken in 2020-21.

We are delighted to learn that the employers offered 100% positive feedback about our students. The students, alumni, parents and teachers offered constructive suggestions. The following areas were focussed on:

**I Admission Procedure and Fee Structure: [Students, Alumni, Parents]**

Action Taken: The College Admission Committee has attempted to streamline admission process by adopting an optimal mix of online and offline admission procedures like online form filling, checking and fee payment. The Office expressed their readiness to undertake the admission procedure in offline mode, thus, offering students flexibility in admission process.

Many parents who had lost their livelihood during COVID pandemic times, expressed their anguish with regard to the fee structure. Enhanced fees were refunded to the students.

**II Curriculum Upgradation with global trends and practical orientation:  
[Students, Alumni and Parents]**

Action Taken: This suggestion has been internalised with focus on inclusion of contemporary trends, revamping curriculum with inclusion of practical skill-based aspects.

Curriculum revision is undertaken once every three years. Across streams, the First Year and PG curriculum revision was undertaken in 2020-21, the Second Year in 2021-22, the Third year in 2022-23. The next round of curriculum revision is due in 2023-24. Attempts have been made by departments to bring in global perspectives [sustainability, green consciousness, etc] and inclusiveness (gender issues, disability awareness, mental well-being and the like). The College has a full-fledged centre for virtual collaborations titled MILE: [Mira International Learning Exchange]. Students of St Mira's study synchronously as well as asynchronously with students from La Guardia Community College, NY, and other colleges in the world giving them a truly global education. We have conducted six MILE courses in online mode which are available free of charge. For further details please visit: MILE: A Centre for Virtual Collaboration

<https://www.stmirascollegepune.edu.in/mile.php>. Practical orientation to curriculum has been provided by including Case Studies [Banking & Finance] and preparation of worksheets [Accountancy], Editing Skills, Drama [English] for developing analytical, problem solving, employability and acting abilities of students. While one set of students expressed a desire for curriculum upgradation, another set opined that the curriculum was too intensive, not

permitting them to engage in extra college activities, which implies that there is no dearth of opportunity at St. Mira's to learn and to enjoy one's College years.

### **III Master's Programme in Psychology [Students, Alumni and Parents] and a Bachelor's Programme in History Special [Alumni]**

Action Taken: The Department of Psychology is bound by infrastructural constraints due to which a Masters' Degree Programme is not possible at this juncture. However, the department has commenced several Certificate Courses [Certificate Course in Disability Awareness and Inclusion], and Post-graduate Diploma Programmes [PG Diploma in Mindfulness based Counselling, PG Diploma in Dance Movement Therapy], which has provided the Psychology Students, an opportunity for curriculum enrichment. Likewise, the Department of History is also bound by similar infrastructural and work load constraints which impede the commencement of a Bachelor's Programme in History.

### **IV Business Mathematics and Statistics as a compulsory paper throughout BCom Programme: [Students]**

The curriculum designed for the B.Com Programme envisages and includes Business Mathematics and Statistics only at the First Year level. Enlargement of its scope is not possible, given the necessity of inclusion of a variety of Commerce subjects in the Programme curriculum and also due to work load issues.

Action Taken: Although there is no scope for its inclusion at an advanced level, the College offers an optional credit course in Quantitative Aptitude/Techniques which is open to all students, to test their numerical and quantitative reasoning abilities.

### **V More value- added credit courses: [Students, Parents and Teachers]**

Action Taken: Due to COVID 19 pandemic, we could not conduct the optional extra credit courses on offer at our College. However, the College conducted the online MILE courses [open to all streams], compulsory courses like Personality Development [Add on course for BBA; Value added course for BCom; non-CGPA credit course for BA and BSc(CS)] for [First Year students], Value Based Education [non-CGPA credit course for SY students] and compulsory PG credit courses in online mode.

### **VI Curriculum Implementation: [Alumni]**

The overall alumni feedback on curriculum was positive but there was a suggestion to improve curriculum implementation by recruiting an additional faculty.

Action Taken: This is a work load issue and can be addressed only if additional faculty position sanctions are received.

### **VII Extra knowledge for independent thinking:] Alumni]**

Action Taken: It is the constant endeavour of each department to ignite students' minds during the teaching-learning process. We aim to inculcate thought, and not rote learning amongst our students. Advocacy of new ideas, social change is introduced through different departmental activities- guest lectures and discussion sessions on green sensitivity, women empowerment, gender issues, contemporary issues, etc. Student engagement is encouraged through debates, article review and poster competitions, etc. The scope for extra knowledge is given an additional impetus the variety of credit courses on offer. Due to the COVID 19

pandemic, the number of such courses were limited in 2020-21. In the offline mode, many credit courses are again going to be offered to satiate the students demand for knowledge enhancement in areas like foreign languages, Tally, Digital Literacy, Software Testing, etc. name a few.

### **VIII Limited online teaching hours [3-4 hours only] and No Exam Fees: [Alumni]**

Action Taken: During the COVID 19 pandemic, especially during 2020-21, with reliance on online mode of teaching, the students experienced digital fatigue. However, in 2021-22, with the opening up of campuses for offline teaching, the situation for students eased because of reliance on hybrid mode of teaching [online and offline]. Those who could come to campus attended offline classes.

### **IX Interactive class sessions, more guest lectures, additional co-curricular and extra-curricular activities, improvement in Sports Ground facilities [Students and Alumni]:**

Action Taken: All faculty attempt to improve class interactions with students by asking Questions, having discussion sessions, facilitating class student presentations. The prevalence of COVID pandemic since March 2019 was an inhibiting factor but did not deter the College to organise several co-curricular activities at a departmental level. Student engagement is given high priority through student-oriented Clubs. All festivals are observed with great fervour at College. The Cultural Committee of the College organises several dance and music programmes even on the virtual platform. Student participation in intra-collegiate and inter-collegiate competitions is encouraged. Students bring laurels to the College both within and from outside College. There is no compromise made in regard to provision of Sports facilities to students. The College has an updated Gym. Besides, the College Sports Ground, the Sports students also have recourse to a ground outside College for practice sessions. Our Sports Department has trained many Sports Girls who have won accolades at the District, State and National levels.

### **X Student Trauma due to intensive Teaching-learning Process: [Students, Alumni]**

Action Taken: The COVID 19 pandemic had a far-reaching impact on all. The College, within its capacity has endeavoured to make the student's learning experience as comfortable as possible. We have a Mental Well-being Programme which runs across all streams. Counselling facilities are available on campus in [offline and online mode]. This Programme assists the students by providing them coping skills necessary to handle curriculum absorption. The pandemic induced lockdown [w.e.f. March 2020] witnessed a derailment of the new academic term [2020-21] which is usually from June to April. Since 2021-22, it has been our endeavour to get back on track. The transition process has unfortunately led to curtailment of the vacation period- a time span required for rejuvenation both of students and faculty. But we hope to return to absolute normalcy very soon.

### **XI Equip students with digital competency/technology related exposure. [Students, Alumni and Parents]**

Action Taken: The year 2020-21 was a COVID pandemic year wherein both teachers and students were perforce made to adopt ICT as a mode of teaching and learning, thus enhancing the digital competency of both. Prior to conduct of online Examinations, students were given an Orientation Session and went through the drill of appearing for a Mock Online Exam.

Examination Proctoring was also conducted online. In the BBA, BBA(CA) and BSc (CS) curriculum, the emphasis on digital knowledge enhancement is explicit through curriculum. For the BA & BCom Programmes, the enhancement of digital competency comes through class power point presentations by students. At the F.Y.B.Com level, Advanced I.T is an optional course offered to the student on additional payment basis. The Certificate Course in Stock Markets conducted by the Dept. of Business Economics and Banking provided exposure to the students to online trading in the stock market. Inspite of this, the suggestion for introduction of a Foundation Course in Digital Literacy is being considered for inclusion at the earliest.

#### **XII Inculcate awareness on competitive examinations: [Parent]**

Action Taken: Students have been oriented on competitive examinations across (NET/SET exams, UPSC/MPSC and Bank PO exams) through guest lectures organised by different departments (all streams) and by the College Competitive Examination Cell.

#### **XIII Adequate availability of Text books, other Reading and Study Material, improved access to Moodle and early intimation of Internal Assessment details to Students. [Students and Alumni]**

Action Taken: At Degree College level, the students have to make a transition from text-book oriented reading and learning towards reference book reading and accessing journals, reports etc available on the digital platform. Access to e-resources from College Library is provided to all faculty and bona fide students of the Colleges who are given a log in ID for accessing digital resources from the Library. In cases where the student has a weak internet access; then the Library provides reading material in hard copy to Library members with valid College ID card.

The faculty of all streams and all Programmes upload the lecture recording, video and resource material links on MOODLE learning management resources/Google Class Room. For improved Moodle access, the College has prepared student institutional email IDs. The faculty supplement this by keeping connected with students via email/ whatsapp.

#### **XIV Question Banks for different subjects with answers for benefit of working students:**

[Students, Alumni and Parents]

Action Taken: Revision Sessions have been conducted by the faculty. Question Banks have been compiled and shared with the students before the End Semester Examination of May-June 2022.

#### **XV Student Mentoring, Career Counselling, Mock Interview sessions, Internships and Student driven Placement Cell: [Students, Alumni and Parents]**

Action Taken: Regular Student Mentoring sessions are conducted on campus in online and offline mode. Career Counselling, et al: Third year and PG students have the option to enrol with the Placement Cell of the College and get exposure to career counselling, hone the techniques of cracking job interviews and get the opportunity to be placed in good companies based on their skill sets. In courses which have a research orientation (Research Methodology) for PG Programmes, the students are taught how to design a Questionnaire and how to conduct interviews. Internships are already offered to BA Psychology, BA English,

BCom Accountancy and Business Studies, B.Sc (Computer Science), BBA, BBA(Computer Application) students. For all courses (under all streams) internships are in the process of being partially internalized at the Third Year level [under curriculum revision 2021-22] for implementation w.e.f. academic year 2022-23. The alumni suggestion of a student driven Placement Cell will be deliberated upon by College authorities and the course of action will be laid out as soon as possible.

#### **XVI Improve human relations amongst Office Staff: [Alumni, Parents]**

Action Taken: Grievances put forth by students and other stakeholders are resolved via intensive staff mentoring and linkage to non-teaching staff performance appraisal.

#### **XVII Corporate funding of Students:**

Action Taken: Since 2021-22 we have formalized a student aid programme which is handled by a Student Welfare Officer. Individuals and others are eligible to contribute towards this fund which shall be used for student aid in cases where student is unable to meet full fee commitment. For details, please refer to the Student Aid Policy. A fund raiser activity is on the anvil. The issue of formalized corporate funding will be explored.

#### **XVIII Student Exchange Programmes: [Students]**

Action Taken: The MILE Programme platform offers interactive learning between students of St. Mira's College students and Students from La Guardia Community College NY, USA on an online platform. The College will explore the possibility of other student-exchange programmes, will deliberate on the same, set up a committee to devise an action plan and roadmap for the same in the near future.
