Nirbhay Kanya Abhiyan Workshop(21st to 23rd February 2022)

The Department of Student Welfare organized Nirbhay Kanya Abhiyan workshop from 21st to 23rd February 2022 with an objective to develop confidence among girls and become a fearless women. In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them. This year the workshop was both online as well as offline mode. 20 girl-students from Christ College were invited to attend the Nirbhay Kanya Abhiyan Workshop. Total there were 70 students online and offline mode

On 21st February 2022, the first session on **Self- Defence** was conducted by Miss Maya Khadka, she is a black belt in Karate. She introduced simple techniques of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then she demonstrated self-defence tactics to be used in situations of physical violence or eve-teasing involving physical abuse. She showed how simple techniques using one's reflects can be employed to defend oneself. Miss Maya demonstrated with the help of volunteers some very useful self-defence actions which the girls have to learn only through regular practice. At the end she said that self-defence exercises must be practiced on a regular basis and not remain only at a workshop level where most participants forget it very quickly.

On 22nd February 2022, second session was conducted by Mrs Shakuntala Bhalerao, a social activist on **Harassment of girls and women at home**. She introduced the session with the help of a documentary film and then discussed the ways through which the harassment and exploitation is done. The students actively participated in the discussion and shared their experiences. Some strategies were also suggested by the speaker as well as the students.

On 23rd February 2022, third session was conducted by Mrs Alka Joshi, a social activist on **Sexual Harassment of women at work place**. At the beginning of the session, she narrated two stories regarding women security, it lead to an impressive discussion. It helped students to open up and share their experiences. Mrs. Alka Joshi explained how violence against women is deeply rooted in the patriarchal structure. She said that women are still treated as part of family or community and not as independent individuals. She further stressed the need to build support groups of youth to bring in change at social level.

Hasina Shaikh, Student Welfare Officer proposed the vote of thanks to Board of Student Development, Principal In Charge, St. Mira's College for Girls, Dr. Assunta from Christ College, All the Resource persons for the workshop and all the students participated in the workshop.

Nirbhay Kanya Abhiyan Workshop(21st to 23rd February 2022)

The Department of Student Welfare organized Nirbhay Kanya Abhiyan workshop from 21st to 23rd February 2022 with an objective to develop confidence among girls and become a fearless women. In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them. This year the workshop was both online as well as offline mode. 20 girl-students from Christ College were invited to attend the Nirbhay Kanya Abhiyan Workshop. Total there were 70 students online and offline mode

On 21st February 2022, the first session on **Self- Defence** was conducted by Miss Maya Khadka, she is a black belt in Karate. She introduced simple techniques of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then she demonstrated self-defence tactics to be used in situations of physical violence or eve-teasing involving physical abuse. She showed how simple techniques using one's reflects can be employed to defend oneself. Miss Maya demonstrated with the help of volunteers some very useful self-defence actions which the girls have to learn only through regular practice. At the end she said that self-defence exercises must be practiced on a regular basis and not remain only at a workshop level where most participants forget it very quickly.

On 22nd February 2022, second session was conducted by Mrs Shakuntala Bhalerao, a social activist on **Harassment of girls and women at home**. She introduced the session with the help of a documentary film and then discussed the ways through which the harassment and exploitation is done. The students actively participated in the discussion and shared their experiences. Some strategies were also suggested by the speaker as well as the students.

On 23rd February 2022, third session was conducted by Mrs Alka Joshi, a social activist on **Sexual Harassment of women at work place**. At the beginning of the session, she narrated two stories regarding women security, it lead to an impressive discussion. It helped students to open up and share their experiences. Mrs. Alka Joshi explained how violence against women is deeply rooted in the patriarchal structure. She said that women are still treated as part of family or community and not as independent individuals. She further stressed the need to build support groups of youth to bring in change at social level.

Hasina Shaikh, Student Welfare Officer proposed the vote of thanks to Board of Student Development, Principal In Charge, St. Mira's College for Girls, Dr. Assunta from Christ College, All the Resource persons for the workshop and all the students participated in the workshop.

Study conducted at Gujarat Medical Education and Research Society, Medical College and Hospital, Dharpur, Patan, Gujarat

158 participants between 20 and 50 years of age used the cup for 3 months.

Results: The cup was preferred for comfort, dryness, and less odor. Insertion was easy for 80% participants and 90% participants found removal easy. Problem of leakage was encountered in 3-6%. There were few side effects like rashes, dryness or infection.

Conclusions: These results demonstrate that this reusable vaginal device has no significant health risks and is acceptable to many women without the need for fitting or other medical services.

DeepGriha Activities

A stationery collection drive by the volunteers of Department of Accountancy in the form of pencils erasers, sharpeners and notebooks for DeepGriha, our social outreach partner is a regular feature each semester. The collection drive was also on during the inter- departmental event, MIRA BAZAAR. On 19th November 2019, the volunteers donated the collected stationery for DeepGriha's adult education program and education of Creche children.

- Students of Department of Accountancy showcased their social bent on 28th Nov. 2019 when 7 UG and PG students volunteered at an eye check up camp organized by DeepGriha Society at village Ovhale, Hinjewadi, Pune. The students assisted the doctors who had come from England. Dr. Alex applauded the volunteers for selfless service at the camp.
- To be happy make others happy! - This virtue of our revered Dada J.P. Vasawani was truly followed by the TY BCOM students who set out on 22nd February 2020 for a day of service at DeepGriha Society, our Social Outreach Partner.

The service included arrangement of a day picnic; food preparation & serving and donation of grocery items and goodies for Creche children of DeepGriha Society.

This extension activity saw donation by all students and active involvement of 50 TY BCOM students who planned and organized all the activities along with all faculty of the Department of Accountancy. A group of students also donated profit earned by them during Mira Bazaar!

A total of 101 small kids of DeepGriha Society went for a picnic organised by our student volunteers of TY BCOM A, B and C division. They received the creche children at Empress Garden, sponsored their entry fee and entertained the small kids by playing games and different rides. The kids also enjoyed a ride of the toy train sponsored by our students.

The students prepared Rawa kheer for breakfast and Pulav, boondi raita and gulab jamun for Lunch in the kitchen of DeepGriha Society for 130 children of their three centres Tadiwala road, Ramtekdi and Bibwewadi. The lunch was carried and served to the children and staff of DeepGriha at Empress Garden.

The third day, started with a session was on **Self- Defence** conducted by **Mr. Balkrishna Bhandari, Sports Coach and Taekwondo Expert**. Mr. Bhandari first explained how self defense is very closely related to self-confidence. He said that in today's world when incidences of abuse and violence against women is consistently increasing, the first and obvious reaction of the family is to increase restrictions on girls. This affects their self-confidence. Instead, if the girls are taught to protect themselves, they can move around without any fear. Mr. Bhandari then showed simple means of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then he demonstrated self-defense tactics to be used in situations of physical violence or eve-teasing involving physical abuse. He showed how simple techniques using one's reflects can be employed to defend oneself. Mr. Bhandari then demonstrated with the help of volunteers some very useful self-defence actions which the girls have to learn only through regular practice. He then conducted an elaborate practice session for students of all self-defence tactics he had shown. At the end he said that self-defence exercises must be practiced on a regular basis and not remain only at a workshop level where most participants forget it very quickly. Girls promised that they will imbibe it properly as they have understood the importance of self-defence.

The second session was by Mrs Vanita on Journey of an Women Entrepreneur. She shared her experiences as a Women entrepreneur, ideas for start ups, background, finance required, struggle for organizing the events, challenges with the co-workers and sometimes loss in the business. She also identified some of the students who can start up in some creative activities that they are interested in.

The third session was on Grass root Innovations conducted by Mr. Sathya Natrajan. He interacted with students by narrating stories of Grass root Innovations Entrepreneurs. He inspired many students to initiate the startups. He also shared his experiences on the projects that he had worked and how new entrepreneurs can get success.

This year the bazaar witnessed the participation of various NGOs like Ishanya Foundation, Deep Griha Society, Prayatna Foundation & Help Life Foundation where products made by the underprivileged part of society were on sale. This was an endeavour to establish a platform for enriching, nurturing and raising women of substance with strong sense of independence, not only in a way of living but also in leading. The inclusion of NGOs, leagues the students' passion and determination with the strength of all the feminine voices seeking support. The bazaar gathered a huge crowd of over 1700 visitors. The bazaar proved to be a grand success with all the students motivated by stock clearance & profit. The event ended on a high note with the commitment of a bigger and better event next year in praise of the entrepreneurial spirit. 617 students participated in Mira Bazaar.

Nirbhay Kanya Abhiyan Workshop (21st -23rd January 2019)

Nirbhay Kanya Abhiyan workshop was organized in St. Mira's College from 21st to 23rd January 2019 with an objective of inculcating fearlessness among girl students. Fearlessness is seen as an important personality trait which refers to both a physical and mental ability to control and cope up with one's social environment. In case of girls, who face the gender bias in all walks of life it is a great challenge to inculcate the value of fearlessness. In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. For becoming a fearless women, a girl does not only requires education, social or family support but also be financially independent. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them.

On 21st January 2019, the Abhiyan was inaugurated at the hands of **Dr. Shalini Iyer, Vice-Principal of St. Mira's College**. In the inaugural session Prof. Manjita Kulkarni welcomed the participants and presented the details of three day's programme. Prof. Hasina Shaikh explained the importance of the campaign and appealed to students to participate wholeheartedly and make efforts to change oneself in the direction of fearlessness. *Total 100 students look advantage of the sessions.*

The first session was on **Health and Diet** conducted by **Dr. Anjum Shaikh, a specialist in health issues of young girls and women**. She explained the importance of diet and nutrition for adolescence. She explained the meaning of diet, its vital nutrients for survival and helps the body function and keeps healthy. She explained the importance of protein, carbohydrates and fats. She gave number of examples for healthy diet in day to day life. She suggested students to have milk, fruits, vegetables etc. It was an interactive session where students asked their queries regarding health, weight loss and weight gain. She even focused on physical fitness with the help of exercises and diet. She guided the students for diet plan and asked them to follow for maintaining health. She insisted that small meals at small intervals are good for health. She even told the students to get their tiffins and don't have junk food, as it is not good for health. Overall, the session was very inspiring for the students.

The second session was on **Self- Defence** conducted by **Mr. Balkrishna Bhandari, Sports Coach and Taekwondo Expert**. Mr. Bhandari first explained how self defense is very closely related to self-confidence. He said that in today's world when incidences of abuse and violence against women is consistently increasing, the first and obvious reaction of the family is to increase restrictions on girls. This affects their self-confidence. Instead, if the girls are taught to protect themselves, they can move around without any fear. Mr. Bhandari then showed simple means of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then he demonstrated self-defense tactics to be used in situations of physical violence or

Speaker: Deepa Tak and Sneha Gole

On 5th February a workshop on "gender and public spaces: safety mapping and beyond" was conducted by Sneha Gole and Deepa Tak of the KSP Women's Studies Centre, SPPU. The workshop discussed the issue of safety of women and tried to critically map the different discourses around it. Through discussions around film clippings etc. it was argued that while safety is an important issue for women, often discourses of safety focus on maintaining sexual purity of women. Thus, the discourse of safety instead of being located within the framework of equal access to public spaces and equal rights as citizens, gets articulated within a framework of izzat, modesty and sexual purity of women. The students also did safety mapping of their own spaces, including the roads leading to the college, their neighbourhoods etc. to identify the contexts, people, places which are unsafe/ make them uncomfortable/ are seen as risky. Through the role playing exercises, a discussion was initiated around what women can do if they find themselves in vulnerable situations, how they can plan for their own safety. Through the discussions, the issue of exhibitionism, of men masturbating in the lanes around bund garden was highlighted, as an experience many girls faced.

- Lokayat conducted a workshop on Eve teasing through films on 28th August 2017. The team from Lokayat mainly focused on issues of masculinities, boy's attitude and consequences of eve teasing. During the interactive session, the team challenged many myths operating in the society like girl's provocative dressing encourages sexual crimes related to women in our society. The workshop also included the screening of documentaries on eve teasing and the consequences for girls. The documentaries also helped students to see reality especially when many girls have to leave their education because of the eve teasing. The last part of the workshop consisted a brain storming session with students to find out the solutions to reduce the incidents and the methods to reorient the boys to rethink the concept of masculinity.

REPORT-MIRA BAZAAR

St. Mira's College for Girls celebrated its annual fest 'Mira Bazaar' on 16th December 2017. 'Mira Bazaar' is an endeavor of the Centre for Women Entrepreneurship (CWE) which is an initiative of Departments of Business Studies and BBA. The CWE seeks to achieve the spirit of entrepreneurship through educational programmes, events, activities and research.

The Mira Bazaar was inaugurated at the hands of Mrs. Soniya Konjetti, founder of PULA – an online platform for bringing together women entrepreneurs and Mrs. Shaila Limaye, Managing Trustee - Majhi Maitrin.

The event primarily aims to inculcate and hone the multiple skills of research, costing, production, promotion and customer service amongst girl students across all faculties. Further, the outside participation challenged the students for better strategy and execution.

Around 50 Stalls of foodstuff, handmade jewellery, clothes, accessories, candles, greeting cards, cosmetics, games, health products, mehendi, tattoo art etc. with 200 participants including participation from outside the college. The stalls exhibiting hairstyling was very popular amongst the visitors. DJ Ashley added to the enthusiasm of the Bazaar.

The outcome of the event was not only impressive footfalls and profit earning by the student participants but also the knowledge, skill and competence building in the areas of market research, product planning, costing, marketing and tactical execution considering environmental factors.

Green Club Initiative- Sanitary Napkin Collection Campaign- 'Kaho Na Pad Hai'

a. On 24th Jan 2018, MJ JyonitaDeshmukh and Show Producer SanikaMusalik of 95 Big FM were at St. Mira's College for the Sanitary Napkin Collection Campaign- 'Kaho Na Pad Hai'. The objective of this drive was to create awareness about the health benefits of using sterile sanitary napkins as against cloth, to collect sanitary napkins for women in tribal and slum areas in and around Vasai region of Maharashtra and to break the stigma attached to discussions on sanitary napkin use. The ongoing collection drive was organized by 95 Big FM in association with Mumbai based NGO Upasana. This initiative has been inspired by the upcoming movie release - 'Pad Man'.

b. Our staff and students collectively mobilized 245 packets i.e., around 2500 sanitary napkins. We sensitized the students to purchase and donate bio-degradable and cotton-based napkins as far as possible. **79 students** across all faculties actively participated in the interactive session with MJ Jyonita and Sanika. 95 BIG FM was overwhelmed by the fact that we at St. Mira's had partnered them impactfully for this common cause.

Nirbhay Kanya Abhiyan Workshop Report (17th to 19th January 2018)

Nirbhay Kanya Abhiyan was organized in St. Mira's College from 17th to 19th January 2018 with an objective of inculcating fearlessness among girl students. Fearlessness is seen as an important personality trait which refers to both a physical and mental ability to control and cope up with one's social environment. In case of girls, who face the gender bias in all walks of life it is a great challenge to inculcate the value of fearlessness. In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. For becoming a fearless women, a girl does not only requires education, social or family support but also be financially independent. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them. On 17th January 2018, the Abhiyan was inaugurated at the hands of **Dr. Gulshan Gidwani, Principal of St. Mira's College**. In the inaugural session Prof. Manjita Kulkarni welcomed the participants and presented the details of three day's programme. Prof. Hasina Shaikh explained the importance of the campaign and appealed to students to participate wholeheartedly and make efforts to change oneself in the direction of fearlessness.

The first session was on **Self- Defence** conducted by **Mr. Balkrishna Bhandari, Sports Coach and Taekwondo Expert**. Mr. Bhandari first explained how self defense is very closely related to self-confidence. He said that in today's world when incidences of abuse and violence against women is consistently increasing, the first and obvious reaction of the family is to increase restrictions on girls. This affects their self-confidence. Instead, if the girls are taught to protect themselves, they can move around without any fear. Mr. Bhandari then showed simple means of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then he demonstrated self-defense tactics to be used in situations of physical violence or eve-teasing involving physical abuse. He showed how simple techniques using one's reflects can be employed to defend oneself. Mr. Bhandari then demonstrated with the help of volunteers some very useful self-defence actions which the girls have to learn only through regular practice. He then conducted an elaborate practice session for students of all self-defence tactics he had shown. At the end he said that self-defence exercises must be practiced on a regular basis and not remain only at a workshop level where most participants forget it very quickly. Girls promised that they will imbibe it properly as they have understood the importance of self-defence.

The second session was on **Nutrition and Diet** conducted by **Mrs. Varsha Nandedkar, a specialist in Nutrition**. She explained the importance of diet and nutrition for adolescence. She explained the meaning of diet, its vital nutrients for survival and helps the body function and keeps healthy. She explained the importance of protein, carbohydrates and fats. She gave number of examples for healthy diet in day to day life. She suggested students to have milk, fruits, vegetables etc. It was an interactive session where students asked their queries regarding health, weight loss and weight gain. She even focused on physical fitness with the help of exercises and diet. She guided the students for diet plan and asked them to follow for maintaining health. She insisted that small meals at small intervals are good for health. She even told the students to get their tiffins and don't have junk food, as it is not good for health. Overall, the session was very inspiring for the students.
