Online Sharing Circle 2020-21

Last year has been difficult for all of us in different ways. As a part of the College Mental Well-being Program, weorganised a series of online Sharing Circles twice every month starting from 24th March 2021. Perhaps the most important characteristic of a Sharing Circle is the intention behind it. The intention of creating a safe and non-judgmental space for students to share their feelings and experiences. A space that is inclusive. A space where individuals listen to each other, with their hearts rather than their heads. Where people feel free to express who they are and how they feel without fear of judgment or consequences. A space where there is a common understanding that what is shared in the circle, remains in the circle – an agreement of confidentiality.Each sharing circle session was for one hour and happen twice a month. Thirteen students registered for the same and sessions by moderated by college counsellor.

Mental Health Awareness Webinar Series (Open to All)

25th 27th& 29th April 2020

Dealing with mental health impacts of COVID-19 one session at a time.

Amidst the chaos induced by COVID-19, students are dealing with various mental health concerns. UGC has already stated the guidelines and importance of preventive measures to help students deal with mental health impacts of COVID-19. St. Mira's College for Girls, Pune organised a series of Mental Well-being awareness sessions to address these mental health concerns and help students navigate through this stressful time. This series was an extension of the College's ongoing full time Mental Well-being program for their students.

The webinar series was announced on 23rd April 2020. An online survey was done to assess college student's mental health concerns during the lockdown. Students reported increased anxiety, lack of routine, depressive thoughts, and interpersonal conflicts with family members as major concerns.

Around 333 students signed up for these sessions from various colleges across country including students from Trivandrum, Visakhapatnam, Ghaziabad, Patna and various cities and towns of Maharashtra. First session was conducted on 25th April, 2020 which focused on practical skills and ways to manage Anxiety. Second session dated on 27th April, 2020 focused on building healthy Social Connections with peers and family members. This session was very well received, and students shared how the practical insight and conflict resolution skills helped them in improving their relationship with parents and identify unhealthy relationships with peers and social media. Last session of the series focused on holistic Well-being and Mindfulness. Various mindfulness techniques and exercises were practiced by the psychologist in the session to help students practice in their daily routine. 98% of the students reported that they felt relaxed and motivated after these sessions through the feedback form. All of them requested to organise more sessions on Mental Well-being and expressed that they are particularly important for student community.

Mental Well-being Program 2019-2020

Online Support group sessions for Students in times of COVID-19

Launched on March 22, 2020, the Online Support program is an extension of the college's ongoing mental wellbeing programme introduced last year.

Objectives:

1. To create a safe space to discuss students' needs, challenges and personal distress associated with preventive measures like quarantine and social distancing

2. To address psychosocial and academic stressors faced by students due to lockdown

3. Identifying students who may at high risk for mental health concerns and reaching out to them through telephonic counselling

4. Conduction of focused group sessions for every class to address common concerns

5. Continuous sharing of information, tips and methods of mental health care through WhatsApp groups and email.

Plan of Action:

Step 1: Identifying students' needs and concerns

An online form was shared with all the students to know their mental health needs and readiness for online support groups/sessions. More than 700 students requested for online support and interaction with the college counsellor

Step 2: Familiarising students with aspects of online support group sessions.

All the important guidelines and protocols were shared with all the students explaining step by step process of joining support group sessions through ZOOM network. A well-defined timetable was also shared to make these sessions accessible to all.

Step 3: Online support group sessions- 90 minutes each

Online support group sessions started on 28th March, 2020. College counsellor has been meeting students from each class virtually where following concerns and topics are discussed:

- Mental health care- ideas and suggestions
- Dealing with lack of Motivation
- Examination stress- Prolonged gap
- Anxiety and Depressive thoughts – sharing these feelings and navigating
- Boundary setting – with family members, partners and social media

Step 4: Identifying students at high risk.

Last and most important step of this program is reaching out to potentially high-risk students for mental health concerns, through Skype sessions/calls by the college counsellor. Students have also been asked reach out to the college counsellor directly using email or call.

In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them. This year the workshop was both online as well as offline mode. 20 girl-students from Christ College were invited to attend the Nirbhay Kanya Abhiyan Workshop. Total there were 70 students online and offline mode

On 21st February 2022, the first session on **Self- Defence** was conducted by Miss Maya Khadka, she is a black belt in Karate. She introduced simple techniques of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then she demonstrated self-defence tactics to be used in situations of physical violence or eve-teasing involving physical abuse. She showed how simple techniques using one's reflects can be employed to defend oneself. Miss Maya demonstrated with the help of volunteers some very useful self-defence actions which the girls have to learn only through regular practice. At the end she said that self-defence exercises must be practiced on a regular basis and not remain only at a workshop level where most participants forget it very quickly.

On 22nd February 2022, second session was conducted by Mrs Shakuntala Bhalerao, a social activist on **Harassment of girls and women at home**. She introduced the session with the help of a documentary film and then discussed the ways through which the harassment and exploitation is done. She said that women are still treated as part of family or community and not as independent individuals. She further stressed the need to build support groups of youth to bring in change at social level.

The collection drive was also on during the inter- departmental event, MIRA BAZAAR. On 19th November 2019, the volunteers donated the collected stationery for DeepGriha's adult education program and education of Creche children.

- Students of Department of Accountancy showcased their social bent on 28th Nov. 2019 when 7 UG and PG students volunteered at an eye check up camp organized by DeepGriha Society at village Ovhale, Hinjewadi, Pune. The students assisted the doctors who had come from England . Dr. Alex applauded the volunteers for selfless service at the camp.
- To be happy make others happy! - This virtue of our revered Dada J.P. Vasawani was truly followed by the TY BCOM students who set out on 22nd February 2020 for a day of service at DeepGriha Society, our Social Outreach Partner.

  The service included arrangement of a day picnic; food preparation & serving and donation of grocery items and goodies for Creche children of DeepGriha Society.

Nirbhay Kanya Abhiyan Workshop Report 3rd February 2020 – 5th February 2020

Nirbhay Kanya Abhiyan was organized in St. Mira's College from 3rd to 5th February 2020 with an objective of inculcating fearlessness among girl students. Fearlessness is seen as an important personality trait which refers to both a physical and mental ability to control and cope up with one's social environment. In case of girls, who face the gender bias in all walks of life it is a great challenge to inculcate the value of fearlessness. In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. For becoming a fearless women, a girl does not only requires education, social or family support but also be financially independent. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them.

On 3rd February 2020, the Abhiyan was inaugurated at the hands of **Dr.Shalini Iyer, Vice-Principal of St. Mira's College.** There were participants from Christ College, St. Vincents Night College, SVIM's Institute of MBA, Arihant College of Arts, Commerce. This year the workshop focused on financial, social and self -development. Therefore the workshop was collaborated with Centre for Women Cell. In the inaugural session Prof. Manjita Kulkarni welcomed the participants and presented the details of three day's programme. Prof. Hasina Shaikh explained the importance of the campaign and appealed to students to participate wholeheartedly and make efforts to change oneself in the direction of fearlessness. Dr. Rama Venkat , Co-ordinator of CWE introduced the activities undertaken at CWE.

The first session was by Mr. Ravi Ghate, where he motivated the students for startups with small ideas. He also gave examples about the things that we need for our daily requirement can also give lot of ideas for startups.

Mr. Bhandari then showed simple means of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then he demonstrated self-defense tactics to be used in situations of physical violence or eve-teasing involving physical abuse. He showed how simple techniques using one's reflects can be employed to defend oneself. Mr. Bhandari then demonstrated with the help of volunteers some very useful self-defence actions which the girls have to learn only through regular practice. He then conducted an elaborate practice session for students of all self-defence tactics he had shown. At the end he said that self-defence exercises must be practiced on a regular basis and not remain only at a workshop level where most participants forget it very quickly. Girls promised that they will imbibe it properly as they have understood the importance of self-defence.

Nirbhay Kanya Abhiyan Workshop (21st -23rd January 2019)

Nirbhay Kanya Abhiyan workshop was organized in St. Mira's College from 21st to 23rd January 2019 with an objective of inculcating fearlessness among girl students. Fearlessness is seen as an important personality trait which refers to both a physical and mental ability to control and cope up with one's social environment. In case of girls, who face the gender bias in all walks of life it is a great challenge to inculcate the value of fearlessness. In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. For becoming a fearless women, a girl does not only requires education, social or family support but also be financially independent. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them.

On 21st January 2019, the Abhiyan was inaugurated at the hands of **Dr.Shalini Iyer, Vice-Principal of St. Mira's College.** In the inaugural session Prof. Manjita Kulkarni welcomed the participants and presented the details of three day's programme. Prof. Hasina Shaikh explained the importance of the campaign and appealed to students to participate wholeheartedly and make efforts to change oneself in the direction of fearlessness. Total 100 students took advantage of the sessions.

The first session was on **Health and Diet** conducted by **Dr. Anjum Shaikh, a specialist in health issues of young girls and women.** She explained the importance of diet and nutrition for adolescence. She explained the meaning of diet, its vital nutrients for survival and helps the body function and keeps healthy. She explained the importance of protein, carbohydrates and fats. She gave number of examples for healthy diet in day to day life. She suggested students to have milk, fruits, vegetables etc. It was an interactive session where students asked their queries regarding health, weight loss and weight gain. She even focused on physical fitness with the help of exercises and diet. She guided the students for diet plan and asked them to follow for maintaining health. She insisted that small meals at small intervals are good for health. She even told the students to get their tiffins and don't have junk food, as it is not good for health. Overall, the session was very inspiring for the students.

The second session was on **Self- Defence** conducted by **Mr. Balkrishna Bhandari, Sports Coach and Taekwondo Expert.** Mr. Bhandari first explained how self defense is very closely related to self-confidence. He said that in today's world when incidences of abuse and violence against women is consistently increasing, the first and obvious reaction of the family is to increase restrictions on girls. This affects their self-confidence. Instead, if the girls are taught to protect themselves, they can move around without any fear. Mr. Bhandari then showed simple means of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then he demonstrated self-defense tactics to be used in situations of physical violence or

A Report – "gender and public spaces: safety mapping and beyond"

Date	Student's participated	Topic
05.02.2018	30	"gender and public spaces: safety mapping and beyond"

Speaker: Deepa Tak and Sneha Gole

On 5thFebruary a workshop on "gender and public spaces: safety mapping and beyond" was conducted by Sneha Gole and Deepa Tak of the KSP Women's Studies Centre, SPPU. The workshop discussed the issue of safety of women and tried to critically map the different discourses around it. Through discussions around film clippings etc. it was argued that while safety is an important issue for women, often discourses of safety focus on maintaining sexual purity of women. Thus, the discourse of safety instead of being located within the framework of equal access to public spaces and equal rights as citizens, gets articulated within a framework of izzat, modesty and sexual purity of women. The students also did safety mapping of their own spaces, including the roads leading to the college, their neighbourhoods etc. to identify the contexts, people, places which are unsafe/ make them uncomfortable/ are seen as risky. Through the role playing exercises, a discussion was initiated around what women can do if they find themselves in vulnerable situations, how they can plan for their own safety. Through the discussions, the issue of exhibitionism, of men masturbating in the lanes around bund garden was highlighted, as an experience many girls faced.

REPORT-MIRA BAZAAR

St. Mira's College for Girls celebrated its annual fest 'Mira Bazaar' on 16th December 2017. 'Mira Bazaar' is an endeavor of the Centre for Women Entrepreneurship (CWE) which is an initiative of Departments of Business Studies and BBA. The CWE seeks to achieve the spirit of entrepreneurship through educational programmes, events, activities and research.

The Mira Bazaar was inaugurated at the hands of Mrs. Soniya Konjetti, founder of PULA – an online platform for bringing together women entrepreneurs and Mrs. Shaila Limaye, Managing Trustee - Majhi Maitrin.

The event primarily aims to inculcate and hone the multiple skills of research, costing, production, promotion and customer service amongst girl students across all faculties. Further, the outside participation challenged the students for better strategy and execution.

Around 50 Stalls of foodstuff, handmade jewellery, clothes, accessories, candles, greeting cards, cosmetics, games, health products, mehendi, tattoo art etc. with 200 participants including participation from outside the college. The stalls exhibiting hairstyling was very popular amongst the visitors. DJ Ashley added to the enthusiasm of the Bazaar.

The outcome of the event was not only impressive footfalls and profit earning by the student participants but also the knowledge, skill and competence building in the areas of market research, product planning, costing, marketing and tactical execution considering environmental factors.

Green Club Initiative- Sanitary Napkin Collection Campaign- 'Kaho Na Pad Hai'

a. On 24th Jan 2018, MJ JyonitaDeshmukh and Show Producer SanikaMutalik of 95 Big FM were at St. Mira's College for the Sanitary Napkin Collection Campaign- 'Kaho Na Pad Hai'. The objective of this drive was to create awareness about the health benefits of using sterile sanitary napkins as against cloth, to collect sanitary napkins for women in tribal and slum areas in and around Vasai region of Maharashtra and to break the stigma attached to discussions on sanitary napkin use. The ongoing collection drive was organized by 95 Big FM in association with Mumbai based NGO Upasana. This initiative has been inspired by the upcoming movie release – 'Pad Man'.

b. Our staff and students collectively mobilized 245 packets i.e., around 2500 sanitary napkins. We sensitized the students to purchase and donate bio-degradable and cotton-based napkins as far as possible. **79 students** across all faculties actively participated in the interactive session with MJ Jyonita and Sanika. 95 BIG FM was overwhelmed by the fact that we at St. Mira's had partnered them impactfully for this common cause.

Nirbhay Kanya Abhiyan Workshop Report (17th to 19th January 2018)

Nirbhay Kanya Abhiyan was organized in St. Mira's College from 17th to 19th January 2018 with an objective of inculcating fearlessness among girl students. Fearlessness is seen as an important personality trait which refers to both a physical and mental ability to control and cope up with one's social environment. In case of girls, who face the gender bias in all walks of life it is a great challenge to inculcate the value of fearlessness. In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. For becoming a fearless women, a girl does not only requires education, social or family support but also be financially independent. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them. On 17th January 2018, the Abhiyan was inaugurated at the hands of **Dr. Gulshan Gidwani, Principal of St. Mira's College.** In the inaugural session Prof. Manjita Kulkarni welcomed the participants and presented the details of three day's programme. Prof. Hasina Shaikh explained the importance of the campaign and appealed to students to participate wholeheartedly and make efforts to change oneself in the direction of fearlessness.

The first session was on **Self- Defence** conducted by **Mr. Balkrishna Bhandari, Sports Coach and Taekwondo Expert.** Mr. Bhandari first explained how self defense is very closely related to self-confidence. He said that in today's world when incidences of abuse and violence against women is consistently increasing, the first and obvious reaction of the family is to increase restrictions on girls. This affects their self-confidence. Instead, if the girls are taught to protect themselves, they can move around without any fear. Mr. Bhandari then showed simple means of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then he demonstrated self-defense tactics to be used in situations of physical violence or eve-teasing involving physical abuse. He showed how simple techniques using one's reflects can be employed to defend oneself. Mr. Bhandari then demonstrated with the help of volunteers some very useful self-defence actions which the girls have to learn only through regular practice. He then conducted an elaborate practice session for students of all self-defence tactics he had shown. At the end he said that self-defence exercises must be practiced on a regular basis and not remain only at a workshop level where most participants forget it very quickly. Girls promised that they will imbibe it properly as they have understood the importance of self-defence.

The second session was on **Nutrition and Diet** conducted by **Mrs. Varsha Nandedkar, a specialist in Nutrition.** She explained the importance of diet and nutrition for adolescence. She explained the meaning of diet, its vital nutrients for survival and helps the body function and keeps healthy. She explained the importance of protein, carbohydrates and fats. She gave number of examples for healthy diet in day to day life. She suggested students to have milk, fruits, vegetables etc. It was an interactive session where students asked their queries regarding health, weight loss and weight gain. She even focused on physical fitness with the help of exercises and diet. She guided the students for diet plan and asked them to follow for maintaining health. She insisted that small meals at small intervals are good for health. She even told the students to get their tiffins and don't have junk food, as it is not good for health. Overall, the session was very inspiring for the students.
