**Report of Ecofriendly Ganesha- Punaravaratan Clay Recycling Campaign**  
**Venue - Sanctuary hall, Time 8:30 am to 9:00 am on 24<sup>th</sup> August,2022**

Department of Sociology organized a guest lecture based on Eco-friendly Ganesha. This lecture was conducted by Mrs. Manisha Sheth, she is the Founder of an NGO and Enterprise called "Eco-exist", they make eco-friendly products that are non-polluting and safe for environment. Through this lecture proper immersion of Ganesha idol was discussed with students. The difference between POP and Shadu clay was shown to the students through demonstration video's. The process of Viserjan and clay recycling was also demonstrated through video. This lecture was to encourage students to have eco-friendly Ganesha idols and to spread awareness about the Clay Recycling Campaign which will be held in all the viserjan ghats of the Pune to stop the pollution of the rivers and to have sustainability with natural resources. Total 248 students attended this guest lecture.

**Workshop on Green Bappa idol Making**  
**2022-2023**

Green Club of the College had organised a 'Green Bappa idol-making' workshop on campus on Saturday, 23<sup>rd</sup> August, 2022 at 12 noon in Room No 116 (MA Economics) room near the First floor Library.

This activity helped the students to engage in pursuit of eco-friendly idol-making, and involved them in making of Green Bappa with river bed clay (shaddu matti).

There were 21 student's participants who were involved in the process of making Bappa.

**Sub:** Request to restart the Glutton Cleaning Machine Service on College Campus for regular Clean - up of the Campus Grounds.

Dear Sir,

Good Wishes and Warm Greetings from St. Mira's College for Girls, Pune.

St. Mira's College is a well-known, autonomous Women's College, affiliated to the prestigious Savitribai Phule Pune University. Our College functions under the aegis of the renowned Sadhu Vaswani Mission which has several educational institutions and hospitals under its fold operating on a 'not-for profit' principle.

We would like to thank you for the Glutton machine services on our college premises till last year which has helped us with regular clean-up of our campus grounds.

Dada J. P Vaswani -our spiritual Guru reposes immense faith in the power of the Youth in becoming Change Agents. He has opined: "Make the Child Right, and the World shall be Right". Moreover, our organisation endorses the Gandhian Thought that "Cleanliness is next to Godliness".

Since our organisation's philosophy is concomitant with your Foundation's commitment to Cleanliness, we tender in a request to re-start the service of Glutton Vacuum Cleaners at St. Mira's College Campus w.e.f. the academic year 2022-23.

This assistance will help our college to go a long way in helping keep our Campus Clean. It shall also facilitate us in partnering you in changing the mindset of very important stakeholders of Pune City-the student community. We hope this assistance by you shall make our students more ecologically responsible and civic citizens of Pune City.

Thanking you,

Yours sincerely,

Dr. Jaya Rajagopalan

**Green Club - Awareness drive on 'Zero Garbage Model' for Pune City (2021-22)**  
**Wednesday, 20<sup>th</sup> July, 2022**  
**12.00pm to 13.00pm**

The Green Club of St. Mira's College for Girls, Pune organized an awareness drive in collaboration with Janwani (a public charitable trust formed by Maratha Chamber of Commerce, Industries and Agriculture, Pune) and Adar Poonawalla Clean City Initiatives on 'Zero Garbage Model;' for Pune City on 20<sup>th</sup> July 2022, which took place at Room No. 301 at 12 pm.

The lecture was conducted by Mr. Shaikh Faiz Ahmed (Speaker on behalf of Janwani and Adar Poonawalla Clean City Initiative) gave the details of their different initiatives towards the implementation of the project that aims to change the view of waste as garbage to waste as a renewable, potentially valuable resource. 113 students of Third Year attended the program with Green Club faculties.

The session was very interactive as students also suggested some measures for clean-up drives, waste segregation and 3 Rs i.e. reduce-reuse-recycle. Some of the major points covered in the drive was: My APCC (app that allows the citizens of Pune to garbage location and accordingly leads to action of garbage picking); Swatch system of waste segregation; Rwanda's National Cleanup Day to eliminates Trash (landlocked country in the Great Rift Valley of Central Africa); Different uses of waste (eg. Bioethanol, Bio CNG), etc.

The session was conducted by Asst. Prof. Deepanjali Mazumder. The intent of this awareness drive was to educate and inculcate the importance of waste management in students, which would make them responsible citizen and increased contribution towards environment conservation.

Asst. Prof. Mrs. Deepanjali Mazumder

**Green Club**  
**Solid Waste Management-Clean City Initiative**

On 21st July 2022, the Green Club of St. Mira's College for Girls organized a session titled, "Solid Waste Management". The session was a joint initiative by Green Club and Janwani (a public charitable trust formed by Maratha Chamber of Commerce, Industries and Agriculture, Pune) and Adar Poonawalla Clean City Initiative. 124 students of Second Year across different streams attended the program with Green Club faculties.

Mr. Shaikh Faiz Ahmed (Janwani and Adar Poonawalla Clean City Initiative) spoke about causes of piling up of solid wastes and the ways to alleviate it. The speaker introduced the audience to the rationale of APCCI. According to APCCI the waste and garbage not only is damaging our health and environment but it is an embarrassment to foreigners and visitors who visit India. Today it has over 200 trucks/ machines and over 400 employees for managing this activity covering more than 600 kms of roads in Pune.

The clean city initiative addresses this issue by deploying state of the art machines. Equipment deployed include, Glutton Vacuum Litter Picker, Trilo Vacuum Truck, Truck Mounted Road Sweepers, which uses the best technology to pick up and clear the waste from the streets. Vehicle mounted pothole filling machine to fill potholes in the shortest possible time.

The speaker discussed the way all individuals can work towards cutting down waste creation and adopt recycling.

Mr. Ahmed along with his team on behalf of APCCI appealed to the staff and faculties to contribute by participating in the various initiatives of the organisation.

The session was very well received by the students. They promised to actively work towards environment sustainability.

**Report on Sustainable Garden.**

On the 28th of March, a webinar was held via online mode on google meet at St. Mira's College for Girls. The webinar was initiated by The Green Club.

The webinar was about sustainable gardens, the Speaker was one of the college faculty Dr. Arwah Madan and there were 55 attendees including teachers.

The speaker spoke about sustainability and how it can help our environment. She shared pictures and glimpses of her own garden. The students learned how composting, waste segregation, growing plants and what type of natural fertilizers are best for which type of plants. At the end of the session, the speaker presented the way her garden is flourishing and bearing juicy fruits and beautiful flowers all because of natural processes done on them.

The session was very impactful and the learners took valuable tips for sustainable gardening and helping the environment.

**REPORT**  
**POWERPOINT PRESENTATION COMPETITION**  
(AN INTER & INTRA COLLEGIATE EVENT COMMITTEE INITIATIVE)

The Inter & Intra Collegiate Event Committee organized a **Power-Point Presentation Competition on Environmental Sustainability** in the month of March 2022. The students were supposed to make a PPT on Environmental Sustainability and record their presentation. They were assessed by a panel of external and internal judges on various criteria.

In total, seventeen teams (34 participants) across all streams participated in the competition. The PPTs had rich content with beautiful narration. The results were announced later in the month. Three teams of Winners, 1<sup>st</sup> and 2<sup>nd</sup> Runners up were chosen by the judges.

**Winning Team: Charu Ramnany & Hansa Punjabi, both from FYBBA**

**1st Runners Up Team: Nivedita Chavan from FYB.Com C Div & Sweta Singh from FYBBA(CA)**

**2nd Runners Up Team: Saloni Chakravarty & Jahanvi Dhingra, both from TYB.Com B Div**

  
Asst. Prof. Shanthi Fernandes  
Event Coordinator

Screenshots  
**POWER POINT PRESENTATION COMPETITION**

**Issues of environmental sustainability:**

Exponential  
Population Growth

Unsustainable consumption &  
production patterns among the rich

Limited awareness &  
education about  
sustainability

Insufficient interaction between  
civil society & the government

Inadequate incentives for the  
private sector to encourage  
sustainable development

**Godhadi Making (Quilt-Making) on 27<sup>th</sup> January 2020**

The CWE organized a workshop, in 'godhadi-making' (quilt-making) as a part of Swatchata Pakhwad on the 27th of January, 2020. Ms. Mrunal SHende was the guest at the workshop.

Mrunal Shende, a homeopath by profession gave up her practice due to personal reasons & took up stitching, godhadi making as a career. She has her own studio at Kothrud. She has diversified into bag making & home décor products and markets her products at exhibitions in Pune & Mumbai. She also conducts workshops for people who are keen at learning the art.

The participants came along with their own material- old dupattas and sarees and follow the instruction given by Ms. Mrunal. Many of the participants came up with very creative design for their 'godhadi'.

There were 53 participants keen to learn more. Ms Mrunal Shende made it a fun-learning experience.

**Department of Accountancy****Report****Workshop on – “CCI Sustainability (Corporate, Community, Individual): Waste Segregation and Disposal”****Law Club Initiative**

The Law Club of the Department of Accountancy organized a Workshop on the topic “CCI Sustainability (Corporate, Community, Individual): Waste Segregation and Disposal” for second year Commerce students on 16<sup>th</sup> March 2022 from 12:15pm to 01:45pm. The workshop was conducted by Mr. Sathya Natarajan, a Red Dot Campaigner, an Environment Foot Soldier and a National Coordinator, Urban Spaces - Climate Reality Project, India.

The session commenced with a rationale of the Workshop followed by an introduction of the speaker and his various initiatives to protect the environment. The speaker, with the help of a quiz introduced the participants to various types of Wastes generated and its segregation at the source. This was followed by statistics about the gigantic waste generated and the challenging task of its disposal and management faced by the civic authorities and its impact on the environment. The significance of the new decentralized Waste Management paradigm and its positive impact on the planet were also focused upon.

The Workshop basically highlighted the significance of the Red Dot Campaign in the light of the threat caused by the lack of awareness about the ways to dispose sanitary waste (a hazardous type of a waste) impacting the health of the waste collectors thereby emphasizing on the dignity of labour. The speaker also underlined the significance of Sustainable Development Goals (SDGs) and certain laws in the context of waste segregation and disposal.

The session concluded with a vote of thanks to the speaker.

St. Mira's College for Girls, Pune.

6. **World Environment Day – 5<sup>th</sup> June 2021 - St Mira's College for Girls, Pune NSS Department organized the World Environment Day Awareness Program – 2021 on 5<sup>th</sup> June 2021 in association with the JeevitNadi Foundation.**

"A better environmental future requires better environmental awareness for future generations."

The United Nations (UN) celebrates

'World Environment Day' on 5<sup>th</sup> June every year globally. World Environment Day is celebrated with the aim of taking positive steps to protect the environment from polluting the earth and to inspire people around the world in this direction.

NSS PO, Dr. Sandhya Pandit introduced the session by sharing the objectives of celebrating this event with the students.

- To spread awareness among the public about issues related to the environment.
- To encourage people living in society and communities to contribute as active representatives in this campaign.
- To motivate people to clean up the surrounding areas for better start of this campaign with our NSS volunteers as ambassadors.

Following activities were undertaken to mark this day:

- 2 Videos were shown to the students – One video was by the JeevitNadi Foundation – 'The Story of a River' – which shared the condition of the Mula-Mutha river then and now. Since this river is in Pune it created awareness among the students of how important it is to keep the river clean for protecting the biodiversity of this city. The second video was on 'Importance of Tree Plantation' – shown to create awareness on the importance of Oxygen against the background of the Covid-19 Pandemic. – 42 students participated in this.
- NSS volunteers also shared their initiatives on saving the environment through a discussion in the end. Bhavika Naik shared her way of contributing to saving the environment. She said, "I have started using menstrual cup from last week since a sanitary pad takes more than 500 yrs to decompose and approximately one woman uses about 10000 pads in her entire life. This is my small contribution".
- Vaishnavi Kshirsagar shared the idea of planting a tree on birthdays of each family member. She has so far planted 300 trees in her garden and also planted one more on this occasion to mark the World Environment Day.
- Teaching and Non-teaching Staff were encouraged to clean their emails – for this a post shared by Bhavika, an NSS volunteer was forwarded to them to help them realise the necessity of deleting

## 10. Panel Discussion on Eliminating Use of Plastic – 25<sup>th</sup> June 2021 -

Green Club and NSS Department held a Panel

Discussion on 25<sup>th</sup> June 2021 between 10am to 11.15 am on Google meet. The dialogue began with introducing the topic- Miss Shannon R talked about what goes around comes around. Ocean throws garbage (created by us ) back to us, so it is our collective responsibility to reduce garbage as much as possible. Miss Rakhi pointed out that it takes about 4000 years for plastic to degrade, hence we should say “No” to use of polythene bags. Miss Namrata Datta added to this discussion regarding reusable H2O bottle plus cloth bags- At present, plastic use is choking us and We are the change makers, need determination to bring the change. Miss MaitrayeeSangitrao highlighted how everywhere plastics are used right from makeup/spectacles. She concluded by asking audience these questions- Do we need it, is it necessary?? We must decide how much plastic to be used in everyday life.

Miss Gauri Raje stated that change begins at home - we must adopt zero plastic-based lifestyle, however challenging it is. She gave examples of using bamboo brush, upcycling old clothes, not to cut plastic pouches completely to avoid microplastics, encouraged to use menstrual cups. Miss Saloni Kullar spoke about human beings at our best are extremely creative, she added to switch to ink pens, cut gel pens can be used as beads, plastic stand of pens stuck together etc. Miss Annmariya said that plastic creates scarcity of land , alternative is use metal straw. Miss Kajal Yadav coaxed all to buy bigger bottles to avoid using more of plastic consumption. Miss Riya Pawar spoke about how plastic tiffin boxes can be reused as jewellery boxes, use cloth flowers, use paper cups, etc. Miss Anushka said that living a simple life is not easy but everyone can do it. Miss Aariya Parve shared here ideas of the various means to cut down plastic such as use of paper glasses, wire hangers etc.

Audience participation showed an overwhelming response to this discussion. Miss Kanishka informed to use steel items for milk cans. Miss Nivedita Sahoo suggested use of wooden items in the kitchen. Miss Shannon encouraged audience to use cotton based sanitary towels, use metals instead of paper because trees are being harmed, use paper bags which are made out of newspapers. Miss Rajni Singh, Inhouse faculty said that be responsible consumers , make producers to rethink

SR MSK

Principal Incharge  
St. Mira's College for Girls, Pune.

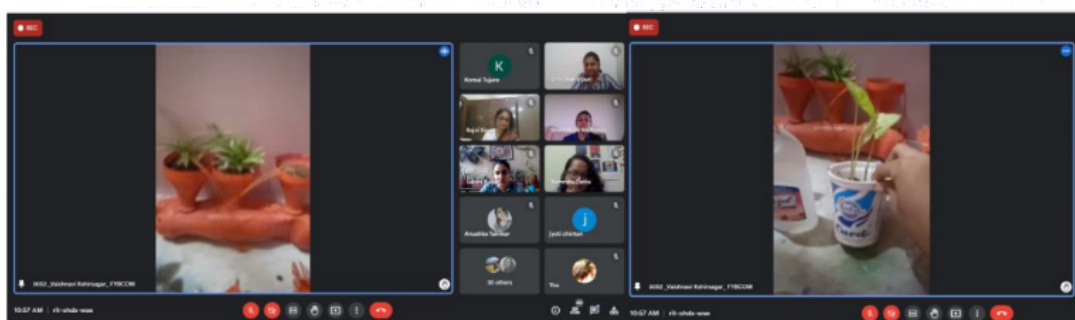

the use of plastic material for packaging and at the end Miss Gauri discussed the taboo relating to Menstrual cups.

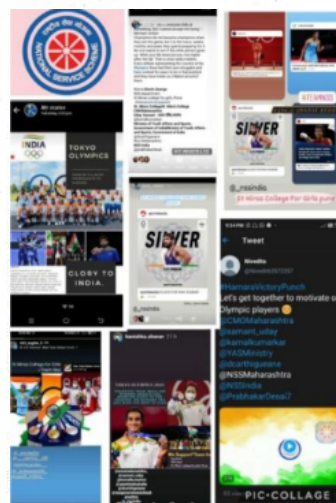

The discussion ended with the conclusion by Dr. Sandhya Pandit and Miss Manjita Kulkarni, Inhouse faculty. Last but not the least let us everyone work together to "Save Mother Earth" and refuse to use Plastic, Eliminate Plastic.

#### 11. Activity 2 by NSS - Demo of using Pet Bottles as Wall hangings or Plant Pots

This demo was given by FYBA student Vaishnavi Kshirsagar who showed and encouraged the NSS volunteers and audience on how the Pet Bottles of beverages can be reused as beautiful hangings in the garden, curd boxes can be painted and turned into beautiful pots for plants to be kept in the house, etc. Her efforts and ideas were very well appreciated by all. In all 12 students participated as Panel members and the audience included 40 NSS volunteers and 6 teachers

12. Tokyo Olympics 2020 – July 2021 - It was a moment of great pride for the NSS volunteers of St. Mira's College for Girls to create messages for the Indian Olympic Team representing the country for the Tokyo Olympics 2020. Messages and videos cheering the team, conveying best wishes for their performance were created by the volunteers and shared on their social media handles. The NSS volunteers also made congratulatory video messages for the participants who had made the country proud by winning medals in different sports they participated in. The messages and videos of students were also shared on the college social media handles like Twitter, Instagram and Facebook using the hashtag #Hamara Victory Punch and by tagging the following handles: @CMOMaharashtra, @samant\_uday, @kamalkumarkar, @YASMinistry, @dcarthigueane, @NSSMaharashtra, @NSSIndia, @RishabhakarDesai7 and retweeting @ianuragthakur

## Organising Department - Green Club

**Day, Date and Time - Thursday 11th Feb 2021- 9.20am -10 am**

**Number of students attended/ participated in the activity - 35**

The Green Club at St. Mira's is actively engaging the students in the awareness campaign regarding environment preservation initiatives. As a part of the endeavour, Manisha Pimpalkhare, faculty, Dept of Economics, conducted an online workshop on Paper Bag making for the class FYBA A on 11th Feb 2021. She shared various ideas about how paper bags could easily be a part of our lives by using them in the kitchen, study room as well as using them as gift wraps. The Red Dot campaign was discussed as a responsible way of disposing sanitary waste and a step towards ensuring dignity for the waste pickers. The students participated enthusiastically in the workshop.

**Skill Development of Effective Waste-Management Practices in Environment**

The SPPU Research Foundation and the Australian Institute of Water Sciences jointly organized a Webinar on 18<sup>th</sup> Jan, 2021. The Webinar was conducted between 3:00pm to 4:00pm.

The Opening address were made by Dr Nitin Karmalkar, V.C. SPPU and himself an expert in Environmental Science. This was followed by observations made by Dr Shaligram, former COE and CEO SPPU Research Park Foundation. Finally, Prof Phil Bell of the Australian Institute of Water Sciences spoke about skill development and environmental opportunities in the field of waste water treatment, solid waste management, e-waste management, bio-medical waste management, air pollution management.

Prof. Bell opined that these opportunities exist and can be tapped via Environmental Education – through introduction of introductory, Intermediate and Advanced courses offered by the Australian Institute of Social Sciences.

The Australian institute wishes to promote 2-4 research-oriented courses per year in collaboration with SPPU, with a maximum strength of 50 students per course. The curriculum would be designed by the Australian counterpart while the infrastructure would be made available at SPPU or SPPU affiliated college end. This webinar aimed at skill development in the field of environmental science with focus on waste management.

The main takeaways of the webinar were that inter-university student exchange would receive an impetus, there would be scope for technology transfer, skill training from globally recognized experts and advisory services for waste management. This SPPU driven activity is a good endeavour for raising green consciousness of students who wish to be global citizens, green skill building, green ideation, with potential for obtaining green internships.

The following staff and students of St. Mira's College for Girls, Pune participated in this Webinar.

They included:

c) 'Disposal of Plastic Waste' was explained to the students through videos.

Three videos were screened for them. First video introduced them with plastic waste and it suggested small things which we can do for creating less plastic waste. In the 2<sup>nd</sup> video some organizations gave insight on how they used plastic for creating new beautiful daily plastic things from the old plastic. Another video showcased that wearing a cloth mask is also dangerous for environment and create awareness about other masks which are made from plants.

d) Clean and Healthy India – Contribution of the Youth

To bring out the role of youth in achieving a Clean and Healthy India under the (Swachha va Swastha Bharat Abhiyaan), a very touching and impactful video on the importance of the Segregation of Wet Waste and Dry Waste - 'Mera Baba Desh Chalata Hai' – was shown to the NSS volunteers. This video sensitized the students to the problems and fears of the families of workers who positively contribute to the cleanliness of the city's waste management system by risking their health and their lives. The solution to this was of taking the responsibility on ourselves of being responsible citizens and segregating our waste at source itself and helping them in the process.

e) Display of Books on Swami Vivekananda by the Library

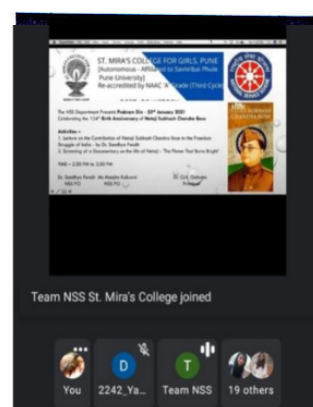

The College Library arranged for a display of books on Swami Vivekananda, his life, his teachings, quotes, etc. to give students and staff an opportunity to access these books easily and get an opportunity to read the contribution and achievement of this great personality.

30. Parakram Diwas Celebration - 23<sup>rd</sup> Jan 2021

f) Best Out of Waste – Demo Session – Lantern and Basket Making – 45 students

g) Video Screening on Need for Segregation of Waste – ‘Mera Baba Desh Chalata Hai’- 45 students

29. Yuva Saptah – 12<sup>th</sup> Jan. to 18<sup>th</sup> Jan. 2021- St.Mira's College for Girls, NSS Department organized a few activities on the occasion of Yuva Saptah, which celebrates the Birth Anniversary of Swami Vivekananda as a mark of tribute to the great Youth Icon of India. This was done with the intention of introducing the ideas and vision of Swami Vivekananda to the youth of today. Swamiji always believed in the power of the youth to mobilize change.

The Youth Day was enthusiastically celebrated jointly by the Departments of Politics and Public Administration, NSS and Student Welfare. This day is celebrated on 12<sup>th</sup> January 2021. On this occasion, the students, faculty participated participating in these celebrations in an online session. The valedictory function of the National Youth Parliament Festival was live telecasted for the students in this session. The students were inspired by the speeches of the three national winners of the festival.

Good Wishes and Warm Greetings from St. Mira's College for Girls, Pune

I thank you for accepting the clothes collected by our students for donation. We hope you can find good use for them. I thank you for the receipt you have furnished for the same.

We shall try and collect more clothes for your organisation in future as well.

Regards,

Shalini Iyer

**"Declutter and Donate" (Law Club Initiative) – 07th July 2019**  
**Department of Accountancy in collaboration with SWaCH**

In a world shrouded by consumerism "Reduce, Reuse and Recycle" may be incompatible. However these three ways are highly essential for eliminating waste and protecting the environment. This calls for not only imparting education and creating awareness on the effects of waste, but the most important aspect of cleaning it to use this waste and convert it to more useful products.

With this objective in mind the Law Club under Department of Accountancy collaborated with SWaCH in an initiative titled "Declutter and Donate", on 7<sup>th</sup> July 2019 - a Mega collection drive in Trillium society, Magarpatta City, Hadapsar. Eleven girls of our College volunteered in this initiative by spreading awareness and helping in collecting and sorting out the pre-owned articles which were collected. Items such as clothes, footwear, toys, plastic bottles, old furniture, utensils, etc., were collected which will be further recycled and sold.

## Volunteering at Dhankawadi for waste segregation awareness.

External

Inbox

**SWaCH Outreach** <swach.outreach@gmail.com>  
to me, Aparna

Mon, Jun 24, 2019, 9:52 AM

Dear Ms. Wagh,

Further to our conversation on integrating volunteers in the SWaCH waste segregation and Door to door collection (DTDC) programme, we are happy to have you students join us from the week of 24th June. The programme will be for a duration of two weeks during which the students under the guidance of our coordinators have to create awareness of the availability of DTDC service and how waste needs to be segregated. We will be holding an orientation session before the start of programme.

The students will receive a certificate for internship for that period.

The students will work in the Dhankawadi area which will also include residences ranging from bungalows, apartments and slums. There will be our support staff ground for any clarifications. I am marking my colleague and director of SWaCH, Ms Aparna Susarla on this mail.

Please do reach out if you need any more information.  
Best regards,

Suchismita Pai

St. Mira's College for Girls, Pune.

allotted area.

Dr. Mrs. Manisha Pimpalkhare, a senior faculty from Economics Dept. took **workshop on making paper bags** on Friday, 9<sup>th</sup> August. Around 30 volunteers participated in the workshop and made more than 500 paper-bags. These bags are kept in the washrooms by NSS volunteers regularly for proper disposal of sanitary napkins and keeping the washrooms clean. NSS department undertook 'Plastic Free Campus Campaign' on 10<sup>th</sup> Aug, 2019. 40 NSS volunteers participated in the event. Volunteers were divided in the group of 8 and sent to various places in the college like, ground, garden, parking area, corridors, etc. Total three bags of plastic were collected by the volunteers. These efforts were appreciated by all the teachers and especially by the principal ma'am.

Ten of the NSS volunteers went to Poona Station and undertook awareness campaign on Friday, 9<sup>th</sup> August. Volunteers talked to the people over there and convinced them for keeping the place clean. Volunteers explained the importance of cleanliness and discussed the ill-effects of dirty environment. In the end volunteers undertook rally and exhibited the importance of cleanliness through posters.

(10) **Swachhata Rally** was organized by the department of NSS, St. Mira's College on Wednesday, 14<sup>th</sup> August. Eighty-six students participated in the rally of almost two kilometres. Rally covered the area of Koregaon Park, Koregaon road, etc. All the volunteers enthusiastically participated in the rally with slogans like 'Pune City, Clean City', 'Swachha Bharat, Swastha Bharat', 'Amache Pune Swachha Pune', 'Don't be lean, Keep the city green', etc. Students were holding the posters on cleanliness done by themselves.

The Swachhata Pakhwada was ended with **the Planning Meeting with the Vice-Principal Ma'am** – Dr. Mrs. Shalini Iyer. Vice-Principal Ma'am addressed the volunteers and appreciated the efforts taken by them to clean the institution. She discussed some measures to keep the college clean and asked for the contribution from all the students. She asked the students for not to litter anywhere in the premises, put all the garbage in the dustbins, organizing competitions like 'The Clean Class Competition' etc. She also told students not to bring eatables outside the canteen to preserve cleanliness. The session was interactive and students came with lots of suggestions for maintaining the cleanliness in the college and premises. Volunteers suggested for hand-wash dispensers, more brooms, dustbins and dustpans, etc.

(11) **Tree Plantation:** NSS Department of St. Mira's College participated in One Day Workshop on Tree Plantation in SPPU on 9<sup>th</sup> Aug 2019. NSS volunteers of St. Mira's College planted around 20 trees on the SPPU hill. At 4 pm

**Jumble Sale of pre-owned apparel**  
**14th December 2019**

The Green Club of our College organized a Jumble Sale of pre-owned apparel at the annual Mira Bazaar held on 14<sup>th</sup> Dec. 2019. This activity commences a month earlier with an Awareness Drive about the importance of the principles of "Reduce, Reuse and Recycle" and the act of Giving. This is followed by a Pre-owned Clothes Collection Drive. Clothes in good condition are collected from staff and students alike. The only conditions are that the clothes should be clean, not torn, folded, ironed and given with dignity. This would also ensure that the recipient would receive the same with dignity. Most of the clothes included ladies' garments (both western and ethnic). Student volunteers then sorted, priced the garments at nominal rates ranging from Rs. 10/- per piece to Rs. 50/- per piece, depending on their condition. A Clothes Inventory of the same was also prepared. The garments were then packed in empty cartons for the Jumble Sale. This activity culminated in the Jumble Sale at the Mira Bazaar. Student volunteers from Degree College contributed their might to make this event a grand success. Students, Sevaks and Sevikas purchased these items with great enthusiasm. The entire collection of this year's Jumble Sale was Rs 6660/- which will be used for an environmental /social cause by the College.

**GREEN CLUB ACTIVITY**

**Annual Jumble Sale**

A smash hit among students in its second year running since its inauguration in 2017, the Annual Green Club Jumble Sale of pre-owned and pre-loved clothes was a massive success among students and faculty alike. The Jumble sale works on the principles of 'Reduce, Reuse and Recycle', where pre-owned apparel (like ethnic/western ladies and menswear in good condition) was donated by students, faculty, as well as their families. These donated items were sold at the College Mira Bazaar on 17th December, 2018, for nominal rates ranging from Rs 5 to Rs 100. The Green Club received an overwhelming response with pants, shirts, sarees, dresses, western tops, kurtas, and other miscellaneous items being sold on the big day. The sales generated more than a whopping Rs. 5200, with proceeds used to buy trolleys to facilitate college sevaks and sevikas to easily transport garden waste. The entire activity was organised by Green Club members who collected clothing items, sorted, categorised and sold them at the stall responsibly. Through the experience, members learnt the values of teamwork, reduction and recycling of unnecessary apparel, and consideration for the community in order to lead a more sustainable future through efficient waste management.

**Green Club Making Newspaper bags for Sanitary Napkin Disposal**

The Green Club wholeheartedly supports the Red Dot campaign and acknowledges it as a vital step towards the health and safety of waste management squads across the country. On Thursday, 16th August 2018, Green Guardians of the college gathered together to innovatively craft 135 newspaper bags/envelopes for the responsible disposal of sanitary napkins. They made small envelopes, each emblazoned with the powerful Red Dot. These envelopes were made freely available to all students and faculty. They also enthusiastically volunteered to teach their classmates how to make these envelopes for themselves, thereby spreading the message of hygienic and responsible disposal of sanitary napkins. This is to be an ongoing year-round activity, where envelopes will be made in batches as and when needed by students. The Green Guardians will be responsible for the creation, possession and distribution of the envelopes in classes and washrooms.

**Green Club - Garden Manuring Activity**

The ongoing college garden waste management project yielded several kilograms of manure. Starting at 12 pm on Tuesday, 14<sup>th</sup> August 2018, the Green Guardians undertook the task of spreading the large and fertile manure yield across the flowerbeds in the college garden. A group of 20 Green Guardians participated in the activity, sorting out the litter and helping our college sevaks in the process. The students learnt the value of teamwork. They understood the importance of using organic fertilizers which are locally produced, inexpensive, non-polluting and effective.

### Report- Tree Plantation- 4th July 2017

The NSS Department, St. Mira's College for Girls organised the Tree Plantation Drive on 4th July 2017. The tree plantation was conducted in association with the Botanical Survey of India, Koregaon Park Pune at their Mundwa Campus. 30 Trees were planted by the students which included- Bottle Palm, Mahogany, Phonex and Jamun Trees.

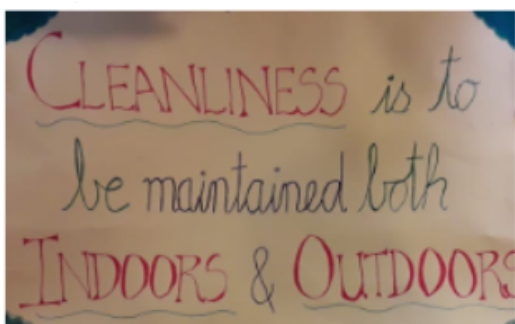

The programme was organised by Prof. Veena Kenchi (NSS PO) and Dr. Meenal Sumant (NSS PO).

Dr. Jadhav, Dr. Jalal of the Botanical Survey of India guided the student volunteers in planting the trees. Dr. Jadhav also guided the students about the importance of medicinal plants and the varieties available at their institute. **27 NSS volunteers of St. Mira's College for girls** participated in the tree plantation activity. There will be regular monitoring and recording of the growth of these trees planted.

### Swachhata Pakhwada 1<sup>st</sup> to 15<sup>th</sup> August 2018

NSS Department of St. Mira's college celebrated 1<sup>st</sup> to 15<sup>th</sup> August as Swachhata Pakhawada.

The focus was on orientation and sensitization of students regarding responsible behaviour in garbage disposal and general habits of cleanliness. For this- poster- making, talks and documentary screening was done. Last year, the NSS volunteers were given a task of identifying a swachhata related problem in the college campus. As our continuing efforts for responsible disposal of used sanitary pads, the NSS department took a two way initiative of

orienting students about responsible ways of disposing of sanitary pads and facilitating it by providing paper bags made out of old newspapers and magazines. NSS volunteers took up the responsibility of orienting and encouraging their classmates in this endeavor throughout the year. The NSS volunteers made the paper bags to be used for this project.

Following programmes were organized by the Dept to create awareness, analyse and sensitize the students about the problem of cleanliness.

- 2<sup>nd</sup> august 2018 - orientation of NSS volunteers regarding swachhata pakhwada by NSS Programme Officers- Veena Kenchi and Meenal Sumant

- 4<sup>th</sup> August 2018- Talk by Prof. Veena Kenchi stressing the importance of individual responsibility of all citizens towards a Swachha and Swastha Bharat.

- 4<sup>th</sup> August 2018- Institutional Cleaning- The volunteers were divided into various groups and were assigned the task of cleaning the college campus- playground, garden, classrooms, library and the college parking.

- 6<sup>th</sup> August 2018- Eminent social activist Mr. Anwar Rajan interacted with the NSS volunteers on the topic, 'Youth and Social Service'. He spoke about 'cleaning of the minds before cleaning of the society' and gave an alternative perspective of social service.

- 7<sup>th</sup> August 2018- Cleanliness Drive at the Sadhu Vaswani Mission Campus- The NSS volunteers undertook the task of cleaning the mission campus around the hostel.

- 8<sup>th</sup> August 2018- In continuation with the NSS Dept's effort, the volunteers this year too made Paper bags for responsible disposal of used sanitary pads. These bags were made from old magazines and pamphlets. Dr. Manisha Pimpalkhare guided the students for making these bags and their usage.

- 8<sup>th</sup> August 2018- 'Cleanliness Rally' was organised by the NSS dept. around the Koregaon Park area. Volunteers enthusiastically participated in creating awareness about the importance of cleanliness to the residents of Koregaon Park vasti.

- 5<sup>th</sup> to 12<sup>th</sup> August 2018- Display of posters (posters, poems and slogans ) on college notice board

**- 18<sup>th</sup> to 23<sup>rd</sup> Dec 2017**

The Green Club of St. Mira's College organized a Greeting Card making and Candle making activity from the 18<sup>th</sup> to the 23<sup>rd</sup> of December 2017 in celebration of Christmas Week. The making of both the greeting card as well as the candles was an exercise in recycling and reuse. Students brought items of decoration from home and designed beautiful greeting cards under the guidance of their creative peers. Old candles from the house were also brought and new colourful candles were made by melting the wax and mixing it with colour from wax crayons. The girls participated with a lot of enthusiasm and the activity encouraged many to follow the principles of reuse. The activities were coordinated by Ms. Komal Tujare and Ms. Roma Dar of the English Department.

**Report of the Event: Green Club Jumble Sale – 16<sup>th</sup> Dec 2017**

This year the Green Club decided to mobilise resources for College Garden maintenance using the Mira Bazaar as a suitable platform. Here, two stalls were put up-one dedicated for a Jumble Sale of pre-owned apparel (ethnic and western womenswear and menswear) and the other focussing on sale of pre-owned costume jewellery, greeting cards and candles (made out of recycled material) and the vermi-compost manure harvested on campus. All items were nominally priced between Rs.10/- to Rs.50/- each. The vermi-compost packets were available for Rs.10/- each. The Sale generated a revenue of Rs. 4,481/- from pre-owned apparel, Rs. 1,675/-from restored jewellery and remade candles and Rs. 1,200/- from manure, harvested on-campus from the Garden Waste Management Project.

Adar Poonawala Foundation  
Serum Institute of India  
Pune

Subject: Placement of Dust Bins at St. Mira's College Campus and Access to the  
Glutton Vacuum Cleaner for regular Clean – up of the Campus Grounds.

Dear Sir,

Good Wishes and Warm Greetings from St. Mira's College for Girls, Pune.

Our College is a well- known, autonomous Women's College, affiliated to the prestigious Savitribai Phule Pune University. Our College functions under the aegis of the renowned Sadhu Vaswani Mission which has several educational institutions and hospitals under its fold operating on a 'not-for profit' principle.

Our College was happy to host a Seminar on: "Positive Thinking and Cleanliness of Pune City" by Mr. Minocher Patel, the well-known Motivational Speaker, on 1<sup>st</sup> September, 2017 under the Adar Poonawalla Clean City Initiative. We have been truly inspired by the Motivational Seminar and by the noble work done by your Foundation in making Pune City clean. It has been observed that you are conducting Cleanliness Drives of Campuses like Wadia College and the SPPU, as a part of this Clean Pune City initiative. St. Mira's College also expresses its keenness in partnering your organisation in this connection.

Dada J. P Vaswani -our spiritual Guru reposes immense faith in the power of the Youth in becoming Change Agents. He has opined: "Make the Child Right, and the World shall be Right". Moreover, our organisation endorses the Gandhian Thought that "Cleanliness is next to Godliness". Since our organisation's philosophy is concomitant with your Foundation's commitment to Cleanliness, we tender in a request for installation of dust bins and regular cleaning of the St. Mira's College Campus with the help of the Glutton Vacuum Cleaners employed by your organisation. This assistance rendered by you to our College would go a long way in helping keep our Campus Clean. It shall also facilitate us in partnering you in changing the mindset of very important stakeholders of Pune City-the student community. We hope this assistance by you shall make our students more ecologically responsible and civic citizens of Pune City.

Thanking you,

Yours faithfully

*G. H. Gidwani*  
Principal,

**GREEN CLUB ACTIVITY**

**Report of the Event: Garden Waste Management – Harvesting of Manure 14-15<sup>th</sup> Dec 2017**

In 2016-17, our college has undertaken an on-campus project for garden waste composting. The services of a professional garden waste management organisation named 'Green Thumb' headed by Mr Firdosh Roowalla have been employed for this purpose in September 2016. The supervision of this project is being done by the Department of BBA and the Green Club. About 800 kgs of manure was harvested between 14-15<sup>th</sup> December 2017. It is now available for sale to staff and students at a nominal price of Rs.10/- per packet (made out of newspaper). Bulk purchase by staff and students is encouraged based on 'bring your own bag' philosophy.

## 2. Tree Plantation-

The NSS Department, St. Mira's College for Girls initiated the Tree Plantation Drive on 3<sup>rd</sup> July 2017. The tree plantation was conducted in association with the Botanical Survey of India, Koregaon Park Pune in their campus. **30 Trees were planted by the students which included- Bottle Palm, Mahogany, Phonex and Jamun Trees.**

The programme was organised by Prof. Veena Kenchi (NSS PO) and Dr. Meenal Sumant (NSS PO). Dr. Jadhav, Dr.

Jayanti, Dr. Jalal of the Botanical Survey of India guided the student volunteers in planting the trees. Dr. Jadhav also guided the students about the importance of medicinal plants and the varieties available at their institute. **40 NSS volunteers of St. Mira's College for girls**

participated in the tree plantation activity. There will be regular monitoring and recording of the growth of these trees planted.

## 3. Swachata Pakhwada (1<sup>st</sup> August to 15<sup>th</sup> August 2017)

1<sup>st</sup> August to 15<sup>th</sup> August 2017 was celebrated as Swachata Pakhwada by the NSS Dept of the college.

The focus was on orientation and sensitization of students regarding responsible behaviour in garbage disposal and general habits of cleanliness. For this- poster-making, talks and documentary screening was done. Last year, the NSS volunteers were given a task of identifying a swachata related problem in the college campus. Many of the students were of the opinion that the disposal of used sanitary pads needs some improvement. Therefore, the NSS department took a two way initiative of orienting students about responsible ways of disposing of sanitary pads and facilitating it by providing paper bags made out of old newspapers and magazines. NSS volunteers took up the responsibility of orienting and encouraging their classmates in this endeavour throughout the year. The NSS volunteers made the paper bags to be used for this project.

Following programmes were organised by the Dept to create awareness, analyse and sensitize the students about the problem of cleanliness.

- 1st august 2017 - orientation of nss volunteers regarding swachhata pakhwada by NSS Programme Officers- Veena Kenchi and Meenal Sumant

NSS PO  
Meenal

Veena

Jayant  
Principal Incharge  
St. Mira's College for Girls, Pune.

- 3rd and 4th august 2017- Creative expressions by NSS volunteers regarding Cleanliness- making of posters, slogans, poems, essays and articles.

- 3rd August 2017- 'Classroom Cleaning' - The NSS volunteers cleaned college campus and classrooms.

- 5th to 12th August 2017- Display of these expressions (posters, poems and slogans ) on college notice board

- 5th August 2017- In continuation with the NSS Dept's effort , the volunteers this year too made Paper bags for responsible disposal of used sanitary pads. These bags were made from old magazines and pamphlets.

Dr. Manisha Pimpalkhare guided the students for making these bags and their usage.

NSS PO

- 8<sup>th</sup> August 2017- *Talk by Prof. Veena Kenchi* stressing the importance of individual responsibility of all citizens towards a Swachha and Swastha Bharat. *Documentary- "Cleanliness: it starts with ourselves",* was screened for all college students in the assembly hall.
- 8<sup>th</sup> August 2017 – '*Cleanliness Rally*' was organised by the NSS dept. around the Koregaon Park area. Volunteers enthusiastically participated in creating awareness about the importance of cleanliness to the residents of Koregaon Park vasti. 50 pamphlets about cleanliness were distributed to the citizens in this area.

- 9<sup>th</sup> August 2017- *Awareness talk by Dr. Meenal Sumant.* She guided the students and gave tips to students which will enable them to follow a clean routine in their individual lives. These tips reiterated the importance of garbage segregation, water and resources management in our everyday lives.
- 11<sup>th</sup> August- *Cleanliness Drive at Aga Khan Palace.* 120 volunteers of the NSS Department participated in the Cleanliness drive at one of the important world heritage site in Pune, Aga Khan Palace. The volunteers cleaned the lawn and campus of the palace.

**Sustainable Campus Policy**

**Preamble**

**2019-20**

The Stockholm Conference on the Human Environment, 1972, drew attention to the need for green education i.e. education relating to environment protection. The most oft quoted definition of Sustainable development has been given by the United Nations World Commission on Environment and Development (Brundtland Commission) in its 1987 Report, '*Our Common Future*' which defines it as development "which meets the needs of the present without compromising the ability of future generations to meet their own needs."

Mankind has pursued increased industrialisation and urbanisation and brought about economic development, which has often been at the cost of tremendous environmental degradation. We have been witnessing this in the form of pollution, acid rain, deforestation, desertification, ozone-depletion, global warming, early signs of climate change.

In 2008, the G8 University Summit adopted the Sapporo Sustainability Declaration for internalising environmental consciousness in university academic frameworks and on campus. In 2015, India committed itself to the UN 2030 Agenda for Sustainable Development (for fulfilment of the UN Sustainable Development Goals 2015-2030). The UGC has laid down the SATAT framework to encourage environment friendly practices on campuses of Higher Educational Institutions. In keeping with the UGC's guidelines, St. Mira's College for Girls, Pune has adopted an Environment Sustainability Policy.

**Objectives**

- To incorporate sustainable practices like optimisation of material use, promoting water and energy conservation, waste management, no plastic use.
- To establish a Teaching-Learning and Research environment conducive to safe and sustainable future by including sustainability related topics in academic programmes and research.
- To create an institutional culture which supports sustainable thinking by encouraging HEI stakeholders (students, faculty, non-teaching staff, civil society) to embrace green life styles, sustainability principles and practices.
- To foster a culture of sustainability via advocacy to and engagement of the immediate stakeholders (students, staff) and promote 'beyond campus' environment awareness programs for civil society;
- To ensure voluntary participative implementation of sustainability practices by the HEI stakeholders through adherence to the principles of REDUCE, REUSE, RECYCLE, REPAIR, REPORT to the best possible extent.
