World Environment Day – 5th June 2021

St Mira's College for Girls, Pune NSS Department organized the **World Environment Day Awareness Program – 2021 on 5th June 2021** in association with the **JeevitNadi Foundation**.

"A better environmental future requires better environmental awareness for future generations." The United Nations (UN) celebrates 'World Environment Day' on 5th June every year globally. World Environment Day is celebrated with the aim of taking positive steps to protect the environment from polluting the earth and to inspire people around the world in this direction.

NSS PO, Dr. Sandhya Pandit introduced the session by sharing the objectives of celebrating this event with the students.

- To spread awareness among the public about issues related to the environment.
- To encourage people living in society and communities to contribute as active representatives in this campaign.
- To motivate people to clean up the surrounding areas for better start of this campaign with our NSS volunteers as ambassadors.

Following activities were undertaken to mark this day:

1. 2 Videos were shown to the students – One video was by the JeevitNadi Foundation – 'The Story of a River' – which shared the condition of the Mula-Mutha river then and now. Since this river is in Pune it created awareness among the students of how important it is to keep the river clean for protecting the biodiversity of this city. The second video was on 'Importance of Tree Plantation' – shown to create awareness on the importance of Oxygen against the background of the Covid-19 Pandemic. – 42 students participated in this.
2. NSS volunteers also shared their initiatives on saving the environment through a discussion in the end. Bhavika Naik shared her way of contributing to saving the environment. She said, "I have started using menstrual cup from last week since a sanitary pad takes more than 500 yrs to decompose and

3. Vaishnavi Kshirsagar shared the idea of planting a tree on birthdays of each family member. She has so far planted 300 trees in her garden and also planted one more on this occasion to mark the World Environment Day.
4. Teaching and Non-teaching Staff were encouraged to clean their emails – for this a post shared by Bhavika, an NSS volunteer was

forwarded to them to help them realise the necessity of deleting unnecessary emails which contributes to polluting the environment. – We reached 50 staff members through this post.

2. Elocution by Students on importance of literacy and education.

Four students participated. This session was compered by our very own third year B.A. student, Namratta Datta. She introduced the session with the importance of Maulana Azad's work in the field of education.

a) Dale Halestead, FYBA student – spoke on the importance of education, inspiring words of Maulana Azad and how education is ingrained in us since the beginning. She also highlighted the need for us to value the education we receive and use it as a tool for empowering us.

b) Yashashree Dahad, FYBA student – spoke to the audience in Marathi – emphasized on the aims of the current government in the field of education - their emphasis on adult literacy, universal primary education, education in rural regions, right to education 2009, Sarva Shiksha Abhiyaan, girl education – in short, she brought out the contribution of the government in fulfilling the dreams of the Maulana Azad for education to all.

c) Harshita Masand, 12th student – spoke on **Skill awareness and empowerment** which is the theme for this year – She started her speech with the question ‘What is real education?’ Not only theory but development of necessary skills to empower oneself. She spoke of how a good education is important for future career and livelihood – opportunities are waiting to be explored which can be used if you are skilled enough.....education ignites the fire in you to learn and strengthens your confidence. Education and knowledge are interrelated – Education never lets the thirst of knowledge die; and knowledge can be gained from anything and everything one experiences in life; therefore, education and knowledge go hand in hand

d) Maitrayee Sangitarao, SYBA student- spoke on the Importance of education. She started with a story to engage the audience to let them know the stark realities of life. She quoted Confucius – 'Education breeds confidence, Confidence breeds Hope, Hope breeds Peace'. This quote she connected to the sole purpose of Education. She motivated students to turn windows and doorways of opportunities in their favour and empower themselves and those around us. Maitrayee also was very grateful to Dada Vaswani for this institution which is giving education to girls not only of mind but also of heart – coz this she personally felt will take her a long way in living a fulfilling life.

The Vote of thanks was proposed by Prof. Hasina Shaikh and was very well received by the students. Both these session were attended by NSS POs Dr. Sandhya Pandit and Ms. Manjita Kulkarni. 85 students from NSS and the department of education were present for both the activities organized - the Webinar as well as the Elocution session of the students.

These activities were conducted keeping the current global pandemic situation safety norms in view.

3. 'Each One Teach One'

Nearly 40 students of the Department of Education were given this activity of 'Each One Teach One'. In this the students were expected to teach at least one person who cannot read or write. They could also provide Digital Literacy to their family members if all in their family members were educated in the traditional sense. Since digital literacy is the need of the hour and the senior members of the family are finding this as a huge challenge, this effort was very well appreciated by parents and grandparents of the students.

Organ Donation Awareness Campaign Week

13th August to 20th August 2020

7.1.9.

As a part of the Organ Donation Awareness Week, the NSS department undertook the following activities in order to create awareness, encourage and inspire staff, students, non-teaching staff, friends, family, relatives and the neighborhood people to take the pledge to donate their organs and contribute to this great cause. Through these activities everyone was made aware of our duty towards the nation and that donation of organs is a very humble cause through which they can contribute to the society at large.

13th August, 2020 – 'Inauguration of Organ Donation Awareness Week'

The NSS students virtually participated in the inauguration function of the Organ Donation Awareness Week organized by the SPPU-NSS department at the hands of our Honourable Governor Bhagat Singh Koshyari. Before this programme the students were also sent messages on whats app to speak to their parents and make them aware of this campaign.

14th August, 2020 – 'Fir Zindagi – Life Starts'

Every year to spread awareness on the topic of organ donation the NSS department organizes a guest lecturer to speak on the same. But due to the Covid crises this year the session was conducted virtually on Facebook by Savitribai Phule Pune University-NSS. Mrs. Aarti Gokhale, central coordinator of ZTCC Pune, was invited to speak and enlighten all NSS volunteers on the subject of organ donation.

“Organ donation is a very important topic for students to know about, but talking about it is even more important” said Mrs Gokhale. Organs can be donated in many ways. For instance if a person dies in an accident and he or she is declared brain dead, with the consent of their family members organs can be donated and made available for patients in need. “Unfortunately in India there are very few organ donors as compared to other foreign countries “added Mrs Gokhale. She also stated the reason as to why it is that way. Carrying on Aarti ma’am explained the role of media and how it helps in spreading awareness to people.

In conclusion Mrs. Aarti Gokhale encouraged all the NSS volunteers to spread awareness about organ donation and save lives.

15th August, 2020 – ‘Orientation on Organ Donation’

An orientation of the students regarding the importance of organ donation was done. Initially, a short and impactful video on ‘Organ Donation’ was shown to the students which showed them the joy and satisfaction of loved ones to see their near and dear ones alive because of a noble cause of organ donation by one person and family. This was followed by a discussion over it regarding the current data of loss of lives due to organ failure, importance of organ donation and benefits of organ donation.

16th August, 2020 – 17th August, 2020 – 'Digital Poster Making and Slogan Writing'

The NSS volunteers were motivated to make digital posters to create awareness about organ donation, remove the superstitious beliefs associated with it. The volunteers put on their thinking caps and with the help of open sources available on the internet and their creativity, 35 volunteers made about 85 posters in order to reach out to their friends, families and society at large.

18th August, 2020 – 'Awareness creation among College Staff and Non-Teaching Staff'

In order to create awareness, motivate and encourage the Teaching and Non-teaching staff of the college towards Organ Donation, the NSS POs spoke to them informally and cleared any doubts they had regarding the same. Posters were also put up in the common areas of the college like the Notice Board, Staff room, Library, etc. to enable the participation of more and more people in this humble endeavor. Messages were also shared on college what's app groups both in the degree and junior college. Alongwith this the NSS volunteers were also encouraged to put up these posters on their society notice boards to reach out to the society.

19th August, 2020 – 'Inspiration Talk to motivate for Organ Donation'

Dr. Meenal Sumant from the Department of Economics spoke to the students about Organ Donation. The reason why Dr. Sumant was the right person for this was because she had pledged for organ donation last year with her husband. This was important because the NSS volunteers got first-hand information from their teacher who has actually taken the pledge which definitely inspired many volunteers.

Dr. Sumant spoke about the necessity of organ donation by giving the actual statistical data, where we can see the requirement of organ donation. Madam explained the importance of this, the need to create awareness and types of organ donation. She also mentioned the age where we can donate our organs and even the restrictions of the age where we cannot donate some particular organs. Dr. Meenal shared her personal experiences about how she decided to pledge for donating her organs and encouraged the volunteers. 26 Students were present for this awareness lecture. Some girls shared their information about organ donation and asked their queries.

20th August, 2020 – 'Creating Awareness through Social Media platforms'

A short video was made by the students and was shared on the College Facebook and Instagram pages. Many teachers and NSS volunteers shared this video on their own FB and Insta pages with the hope and intention of creating an unending chain of reaching out to the millions of people using these platforms in times of Covid. The efforts of the students were highly appreciated. The NSS volunteers also posted slogans and posters made by them on What's App statuses and FB and Insta stories which were viewed by many of their friends, family and relatives. Through this the volunteers reached about 1500 people who saw their FB stories and

Blood Donation Camp 2019

22nd November, 2019

Report

'Give, Give, Give' said our revered founder Sadhu T. L. Vaswani. This year we at St. Mira's College celebrated his 170th birth anniversary. As a part of Birth Anniversary Celebrations, NSS department decided to follow his teachings and have a Blood Donation Camp in association with Inlacks Budhrani Hospital.

This year, total 87 students from FY/SY/TY/BA, BCOM, BCS, BBA, BCA enthusiastically participated and registered themselves to donate blood. Out of these 87 registrations 36 volunteers passed the weight, HB and other criteria and were fit for blood donation. All the 36 donors were provided with snacks- coffee, biscuits and banana. All the donors were given certificate of a donor. Total 25 volunteers worked hard from 9 am to 2 pm to make this camp a success. NSS POs Dr. Meenal Suman and Dr. Sandhya Pandit were actively present throughout the camp. Other staff members like Ms. Jyoti Chintan, Ms. Hasina Shaikh, Dr. Sangita Deshmukh visited camp and they were talking to the students and making them comfortable.

The camp went well except one case of infection. A case of infection (Ms. Shivani, TYBA experienced bleeding, pain and black spot after some hours of blood donation) was reported day after , which was referred to the doctor of Budhrani hospital for cure.

Unity Day

30th Oct, 2019

Report

The Department of NSS celebrated National Unity Day on 24th of October as Diwali vacation is starting from 31st Oct, 2019. Dr. Meenal Suman conveyed the importance of National Unity Day to the students. A birth anniversary of Late Sardar Vallabh Bhai Patel is celebrated as a National Unity Day, so the students were enlightened about the great work and tremendous efforts taken by him for the unity of India.

All the students and teachers took pledge to be united and to maintain the unity of India.

A video on unity was shown to the students. As it was a cartoon film, students could better relate it to themselves. The cartoon film on Ek and Anek aptly explained the importance of unity. The strength of the unity was explained with the help of a story of unity of pigeons and mice against the hunter.

National Education Day
11th Nov., 2020
Report

1.1.9.

The Department of Education in association with the Department of NSS celebrated National Education Day on 11th Nov., 2020. India is observing the National Education Day 2020 today.

Every year since 2008, November 11 is celebrated as education day to commemorate the birth anniversary of Maulana Abul Kalam Azad. Maulana Azad was independent India's first education minister.

Prof. Hasina Shaikh, Head, Department of Education, conveyed the importance of National Education Day to the students. The students were informed about the great work and tremendous efforts taken by Maulana Azad for building of the nation through education.

To celebrate this day, the following activities were conducted:

1. A Webinar on 'National Education Day – Its Significance in today's Life'

The speaker Prof. Mumtaz Shaikh, Assistant Professor, HGM Azam College of Education is also a Counsellor at IGNOU and MANUU.

She briefed the students on the views and contribution of Maulana Azad to education. She guided the students to understand the significance of education in one's life. With self-confidence comes self-respect. Prof. Shaikh highlighted to the students Maulana Azad's emphasis on skill based education; He said, "We want employment generators and not employment seekers." Therefore, students need to be focused, self-reliant and confident because that will give you your identity.

Girl education should also be emphasized on as it educates the entire family. Prof. Shaikh felt this day needs to be celebrated all 365 days to achieve 100% literacy in our country. She encouraged and motivated the students to take an oath to have the courage to educate people from lower sections of the society and give them our time and provide basic education to them which will help develop interest in them for further education. This way they can take advantage of the various opportunities provided by the

Government through their scholarship schemes irrespective of colour, creed, class. These efforts will lead to service to mankind at large.

2. Elocution by Students on importance of literacy and education.

Four students participated. This session was compered by our very own third year B.A. student, Namratta Datta. She introduced the session with the importance of Maulana Azad's work in the field of education.

a) Dale Halestead, FYBA student – spoke on the importance of education, inspiring words of Maulana Azad and how education is ingrained in us since the beginning. She also highlighted the need for us to value the education we receive and use it as a tool for empowering us.

b) Yashashree Dahad, FYBA student – spoke to the audience in Marathi – emphasized on the aims of the current government in the field of education - their emphasis on adult literacy, universal primary education, education in rural regions, right to education 2009, Sarva Shiksha Abhiyaan, girl education – in short, she brought out the contribution of the government in fulfilling the dreams of the Maulana Azad for education to all.

c) Harshita Masand, 12th student – spoke on **Skill awareness and empowerment** which is the theme for this year – She started her speech with the question ‘What is real education?’ Not only theory but development of necessary skills to empower oneself. She spoke of how a good education is important for future career and livelihood – opportunities are waiting to be explored which can be used if you are skilled enough.....education ignites the fire in you to learn and strengthens your confidence. Education and knowledge are interrelated – Education never lets the thirst of knowledge die; and knowledge can be gained from anything and everything one experiences in life; therefore, education and knowledge go hand in hand

d) Maitrayee Sangitarao, SYBA student- spoke on the Importance of education. She started with a story to engage the audience to let them know the stark realities of life. She quoted Confucius – 'Education breeds confidence, Confidence breeds Hope, Hope breeds Peace'. This quote she connected to the sole purpose of Education. She motivated students to turn windows and doorways of opportunities in their favour and empower themselves and those around us. Maitrayee also was very grateful to Dada Vaswani for this institution which is giving education to girls not only of mind but also of heart – coz this she personally felt will take her a long way in living a fulfilling life.

The Vote of thanks was proposed by Prof. Hasina Shaikh and was very well received by the students. Both these session were attended by NSS POs Dr. Sandhya Pandit and Ms. Manjita Kulkarni. 85 students from NSS and the department of education were present for both the activities organized - the Webinar as well as the Elocution session of the students.

These activities were conducted keeping the current global pandemic situation safety norms in view.

3. 'Each One Teach One'

Nearly 40 students of the Department of Education were given this activity of 'Each One Teach One'. In this the students were expected to teach at least one person who cannot read or write. They could also provide Digital Literacy to their family members if all in their family members were educated in the traditional sense. Since digital literacy is the need of the hour and the senior members of the family are finding this as a huge challenge, this effort was very well appreciated by parents and grandparents of the students.
